MR. EMMETT COPE

The one thousand, one hundred and twenty-nine students of Bossier High School have confidence in the leadership of their school. The office is a friendly place where problems are worked out sympathetically with students and parents, and new ideas are duly considered and developed.

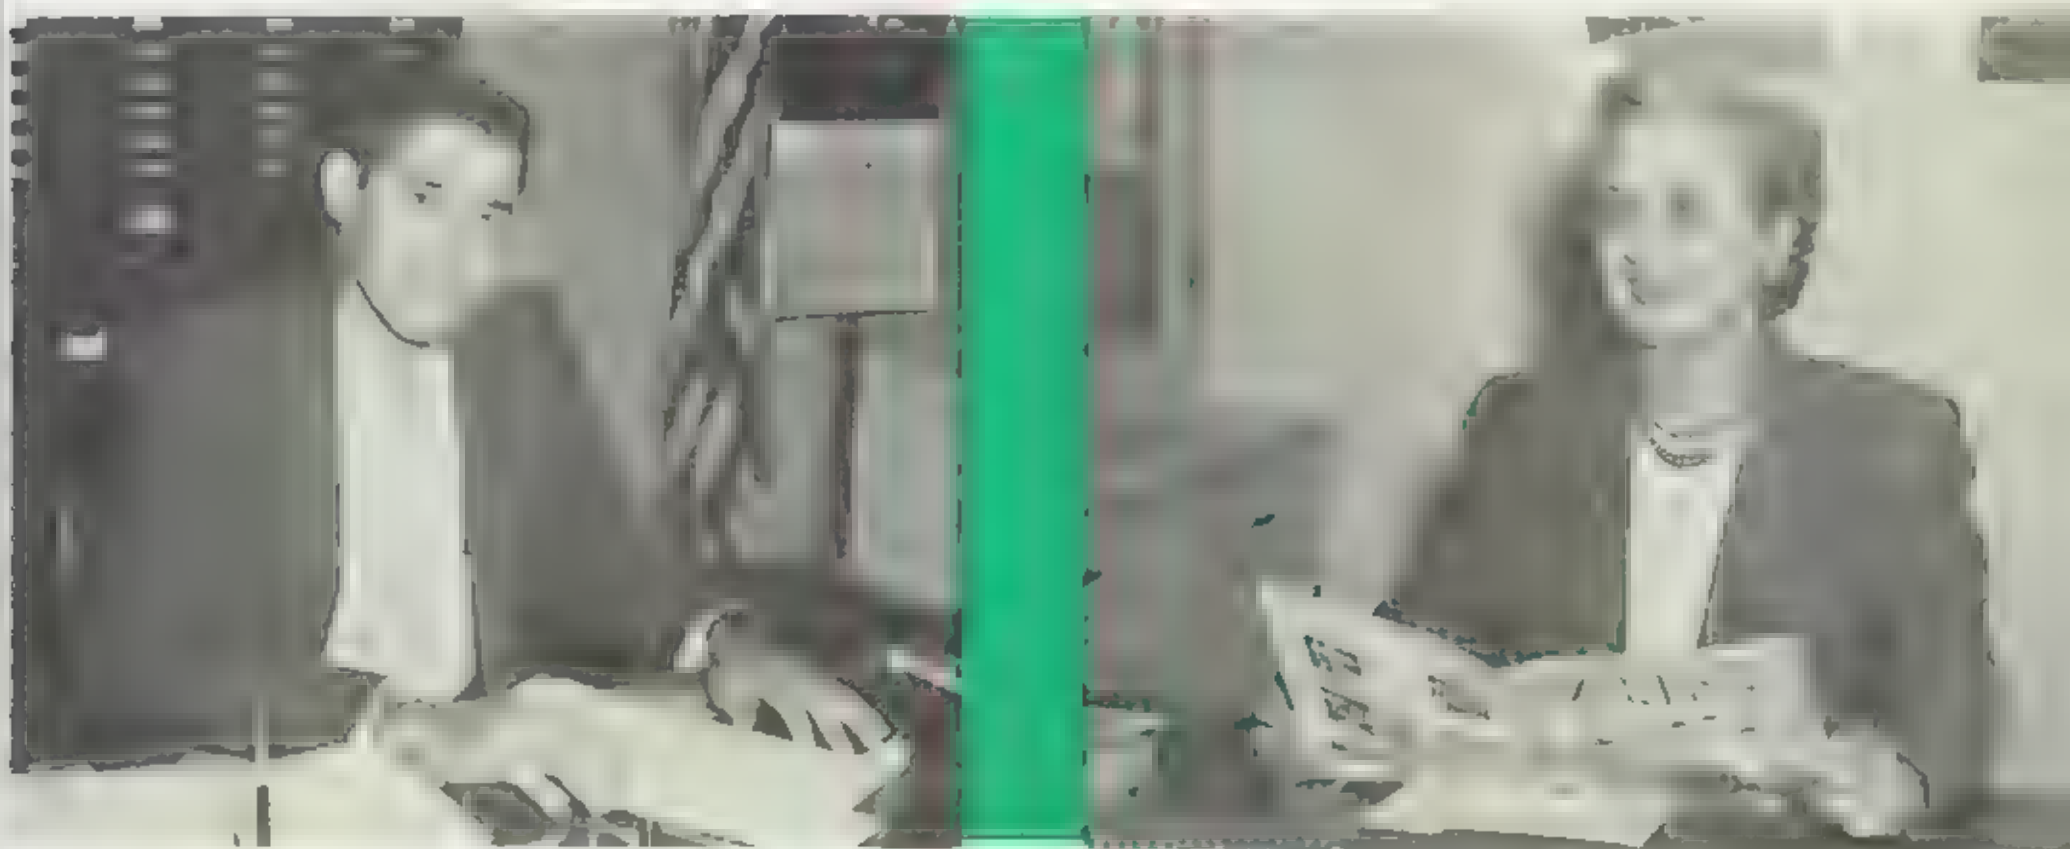

Mr. Emmett Cope, Principal, with untiring interest and unlimited enthusiasm for the betterment of the school works to develop the highest type of scholarship and student life. On July 1, 1956, he will be promoted from his present position to Supervisor of Schools for Bossier Parish.

Mr. Frank Lampkin, Assistant Principal—dependable and capable—gives generously of his time and advice. On July 1, 1956, he will be promoted from his present position to Principal of Bossier High School.

Mrs. Kate Gamble—a wise counselor and a true friend—makes every effort to develop individual personalities and to create a happy, democratic atmosphere.

MR. FRANK LAMPKIN
Assistant Principal

MRS. KATE B. GAMBLE
Guidance Counselor

DEDICATION

The retirement of Mr. R. V. Kerr as superintendent of Bossier Parish Schools after thirty-five years of efficient and notable service is sad to all those who know the value of education and the contribution he has made to it. The sadness, of course, is the severing of the ties from duties into which so much interest and so many sentiments are mingled.

Mr. Kerr has proved himself not only an efficient school administrator, but also a civic leader, wise counselor, and valued friend. His unfailing courtesy, sportsmanship, warm human sympathy and understanding of teachers' and students' problems have endeared him to the hearts of all. Many fine Bossier Parish boys and girls have gone forth far and wide to serve their nation and their God wiser and better because they drank deeply from the fountain of learning so well directed by Mr. Kerr.

With a feeling of sincere gratitude we, the students of Bossier High School, dedicate the 1956 Les Memoires to our own Mr. Kerr

MR. R. V. KERR

ABOVE STANDING: L. P. Dusen, S. H. Boegs, F. I. Center, SEATED: J. W. Dusen, H. B. J. D. W. A. Keer, R. V. Keer, N. F. Keer, A. E. Keer, S. M. W. S. B. W. Swann, W. M. W. A. C.

THE 1955 HOMECOMING

Crowning ceremonies

An event that everyone anticipates with great joy is the Homecoming celebration during the football season. The celebration begins with an afternoon parade in which the girls ride in convertibles driven by prominent men of Bossier City. There is a tea in the early evening for the court. That night there is the game and the Homecoming dance. Bossier played Haynesville, winning the game and giving added joy to the celebration. The Homecoming dance was held at the Recreation Center and was the climax to the Homecoming festivities.

The Queen is elected by the Senior class, the football sweetheart by the football team, and the band sweetheart from the band. The Senior, Junior, Sophomore and Freshman classes each select two maids.

A corsage for everyone

THE STUDENT COUNCIL

May I have some advice?

OFFICERS

BOBBY THIGPEN President
 PATTY RUSHEON Vice-President
 MARALENE ALLISON Secretary
 JERRY SWINT Treasurer

The President advising his councilmen

The principle of democracy is carried out in Bossier High School. The best example of this is the Student Council. Being the governing body, representatives are elected from all homerooms to serve with the officers to help make Bossier High School a better place for students and teachers.

Officers for the Student Council are elected during the final weeks of school to serve the following year. All members of the Student Body take part in the election.

Each year the Student Council sponsors the Election of Cheerleaders and the Popularity Contest. This year the city-wide Youth Week was held at Bossier. This is a high-light every year with the three city high schools cooperating to bring about a better Christian understanding among students and schools.

Under the supervision of the Student Council a student telephone was installed for use by all students.

Among other projects of the Council was Student Day, when the students assumed the responsibility of governing the school for a day. A principal, assistant principal, registrar, and guidance counselor were elected. Various classes selected a teacher for that particular class. The object of such a project was to promote better understanding between teachers and students.

LES *Memoires*

Judy DeMaime, Richard Seward, Phyllis Mitchell and Rodney Harbuck of the Sports Staff

Business Managers, Sue and Larry, tabulating yearbook sales.

The LES MEMOIRES is an annual student publication. The aim is to present a picture-story of events and personalities for the year. Each volume is dedicated to a member of the faculty or administrator who has endeared himself to Bossier High School through service or benefit to the school.

We, the editors of LES MEMOIRES, wish to express our thanks to Mrs. Neal, our sponsor, for her help and advice. We appreciate the help of the administrative staff and the cooperation of the faculty for their toleration of class interruptions. Mr. Jimmy Cobb of the Shreveport Engraving Company has helped immensely by giving us the technical advice needed.

The twenty-one LES MEMOIRES staff members work hard to plan a yearbook that is pleasing in color, design, content, and style. The staff's only reward for their work is your approval and appreciation. Don't let their efforts go unrewarded.

Executive council making plans for Bearfacts

"Freedom of the Press is a flaming sword; hold it high, use it justly—guard it well."

The "Bear Facts" staff has charge of writing, editing, and having printed the Bear Facts, the high school newspaper publication. The staff members are news writers, sports writers, feature writers, copy readers, photographers, and typists. The staff tries to submit a complete, accurate, and prompt record of all school events. The purposes of the paper chosen by the staff are:

1. A school newspaper in the interest of the entire student body.
2. An opportunity for students to express themselves freely through the publication of letters and other contributions to the editors.
3. Stimulation of interest in school activities, pep meetings, classes, clubs, contests, and sports.

The Bear Facts staff works hard to put out a bi-monthly publication for the students to enjoy. To see the events of today, to recall the happenings of yesterday and to anticipate the "scoops" of tomorrow is what we have done our best to accomplish.

B. H. S. BAND

The Bossier High School Band has grown under the direction and leadership of its director, Kenneth L. Green and assistant director, John E. Raley into an organization that ranks "tops" throughout the South.

The band has enjoyed high praise and acclaim in both concert and marching. It not only plays the best in good music but marches with military precision. The success of the band is due to the great pride and cooperative team spirit of the individual members.

Our band has established an enviable record in not only state festivals but in national competitions. The band has made trips to various parts of the United States and has brought much publicity to Bossier City and fame to the band itself.

MARTHA PHILLIPS
Drum Major

A most unusual shot of the Boardwalk.

Representing the state of Louisiana during the International Lions Convention Parade held in Atlantic City, New Jersey, the Bossier City High School Band took third place honors.

Their trip consisted of fifteen days of highly interesting travel, visiting many places of historic interest. One event was an all-day tour of New York City during the three-day stop-over. Others included a tour of Washington, D. C., at night, a Broadway musical, and, of course, the wonderful Boardwalk at Atlantic City.

NATIONAL HONOR SOCIETY

The National Honor Society was organized to stimulate scholarship in the secondary schools and to endeavor to place secondary education on higher levels. Little did the founding fathers in 1921 think that the growth and development of the National Honor Society would be so impressive.

Bossier High School was granted its charter, number 4454, in 1951. Since then our chapter has grown to be an effective organization.

The members are selected by the faculty. When choosing prospective members, the faculty impartially and conscientiously chooses students who best express the qualities of scholarship, leadership, character, and service.

Five per cent of the junior class and ten per cent of the senior class may be selected.

The induction ceremony is the highlight of the National Honor Society activities. In Bossier, the ceremony is held in the evening in the auditorium thus enabling parents and friends to be present. A reception with refreshments follows.

Even though the Bossier chapter of the National Honor Society is considerably new, we feel that this organization has already been an incentive for students to study harder. In the future we hope more students will qualify during their junior year so they can, as seniors, have a full and active year of service in the National Honor Society.

These seniors were elected to this honor during their junior year.

CHOIR AND ALL-STATE MUSIC

The Bossier High School choir, under the direction of Miss Rebecca Hall, has had a successful year. On numerous occasions the choir had the pleasure of working with the cadet and ninth grade choirs.

Some of the activities are on a state-wide basis. The choir sent four representatives to All-State Choir, the student part of the Louisiana Teachers' Association. The choir also attends the Louisiana State Music Festival at Northwestern State College.

The choir unites with National Thespians for the Christmas program. A high point in the year is the annual spring concert. Soloists and small groups appear before civic organizations. The choir as a whole frequently appears on television.

Besides developing young voices, the choir gives its members the opportunity to cultivate a taste for fine music.

 LINDA WILLIS . . . Secretary-Treasurer
 MRS. DRESSER Sponsor

Pep Kats on parade.

The purpose of this organization is for service to the school and for the promotion of school spirit. The organization is under the capable sponsorship of Mrs. Dresser.

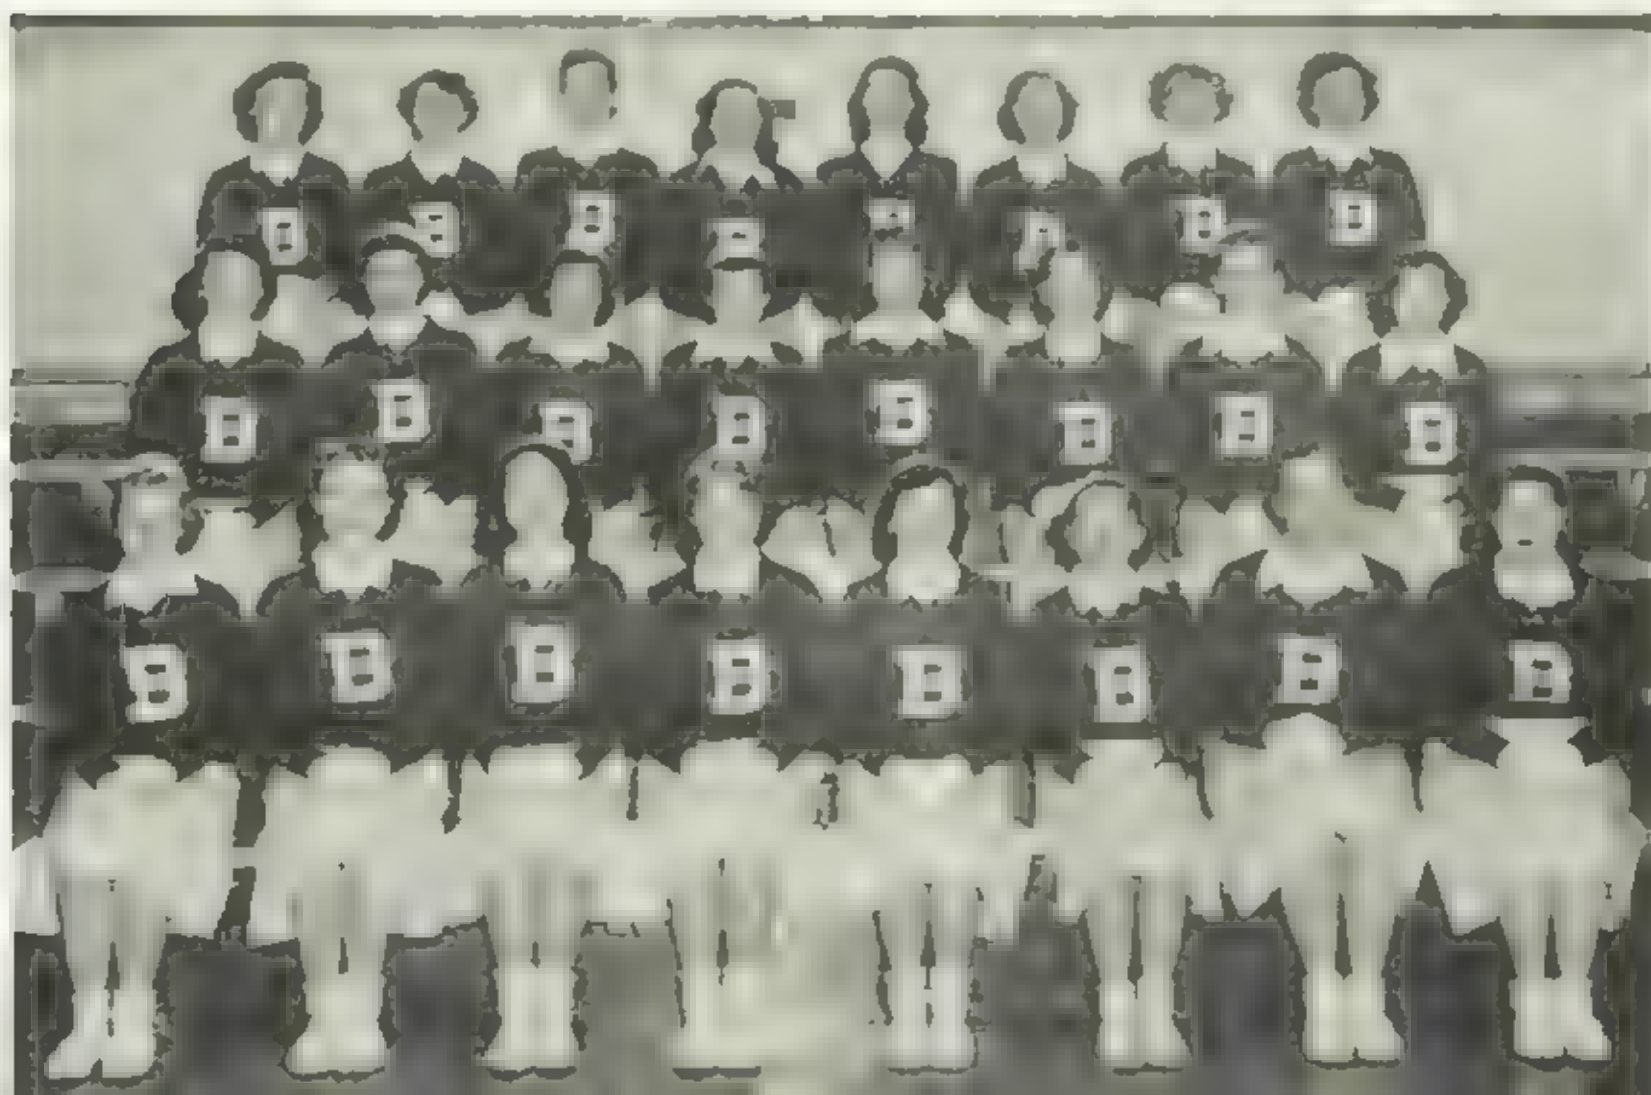

During the football season, the Pep Kats worked hard making posters for our games and pep rallies, making and selling yell books to the student body, and selling football programs. The Pep Kats also acted as hostesses at our open house. Another service project for the club was collecting for the Joy Fund of Bossier City.

This year the members worked hard in order to be ready for marching at Homecoming. There is still room for improvement, so we expect them to be ready for another year of hard work and fun when the next season arrives.

PELICAN STATES

Each spring the faculty submits the names of the junior students whom they think best express the qualities of leadership, scholarship, and initiative. These select few are the ones fortunate enough to be delegates and alternates to Pelican Girls' and Boys' State.

Conducted each year for a week during the summer at Baton Rouge, the purpose of Pelican State is carried out. The delegates study the laws governing our state, visit the state capital and its law-making bodies, and study government in general.

The American Legion sponsors Pelican State.

Our cheerleaders like to be different

In May many students swallow their fears and bravely get on the stage before the entire student body to try out for the position of cheerleader for the following year. After much campaigning by the candidates the student body elects the three girls and three boys whom they believe will most capably serve the school.

This year our cheerleaders did a remarkable job. Pep posters covered the halls before all athletic events. The Recreation Center was decorated for each dance and the goal posts for each game. Each pep meeting was looked forward to by the students, for they knew that the cheerleaders would have worked up something surprisingly different each time. Best of all, the cheerleaders rarely missed attending any athletic event.

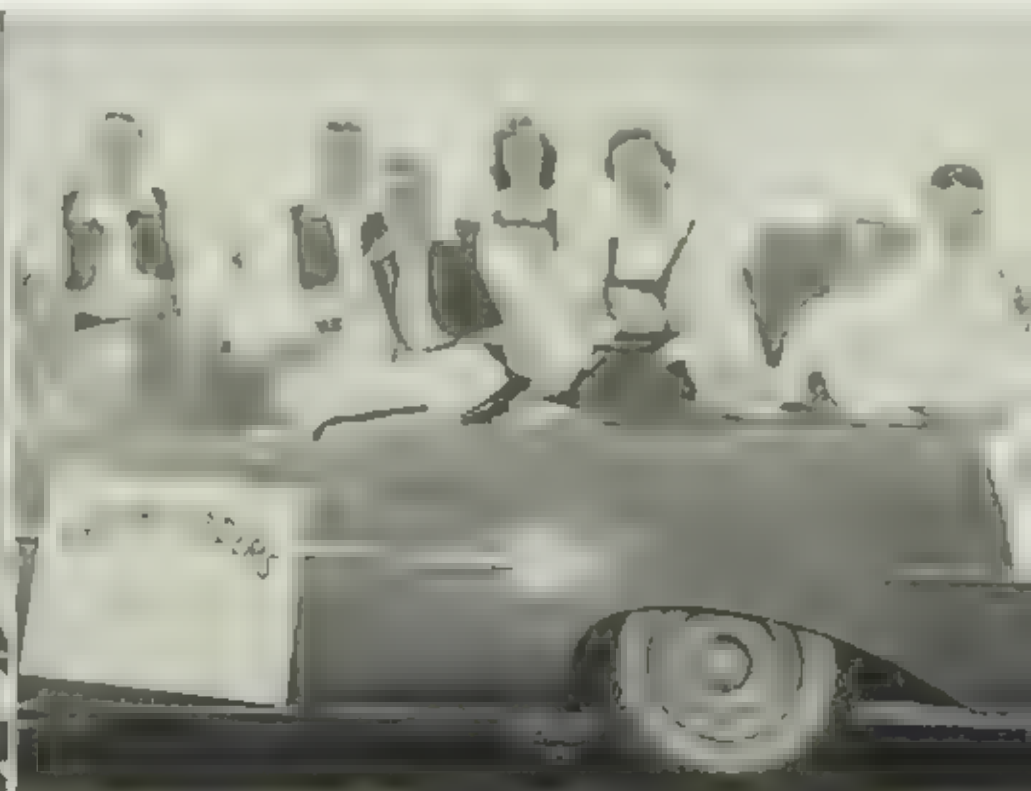

In behalf of the student body, we thank these six people who have done their jobs so well.

QUILL AND SCROLL

"To instill in students the ideal of scholarship; to advance the standards of the profession of journalism by developing better journalists and by inculcating a higher code of ethics; and to promote exact and dispassionate thinking, clear and forceful writing," is the purpose of the Quill and Scroll, the International Honorary Society for High School Journalists.

Twelve students from the paper and the yearbook staff were chosen for charter membership. Students who qualified included those of junior or senior classification who were in the upper third of their class in scholastic standing. They must have done superior work in some kind of journalism and be recommended by the staff advisors or sponsors.

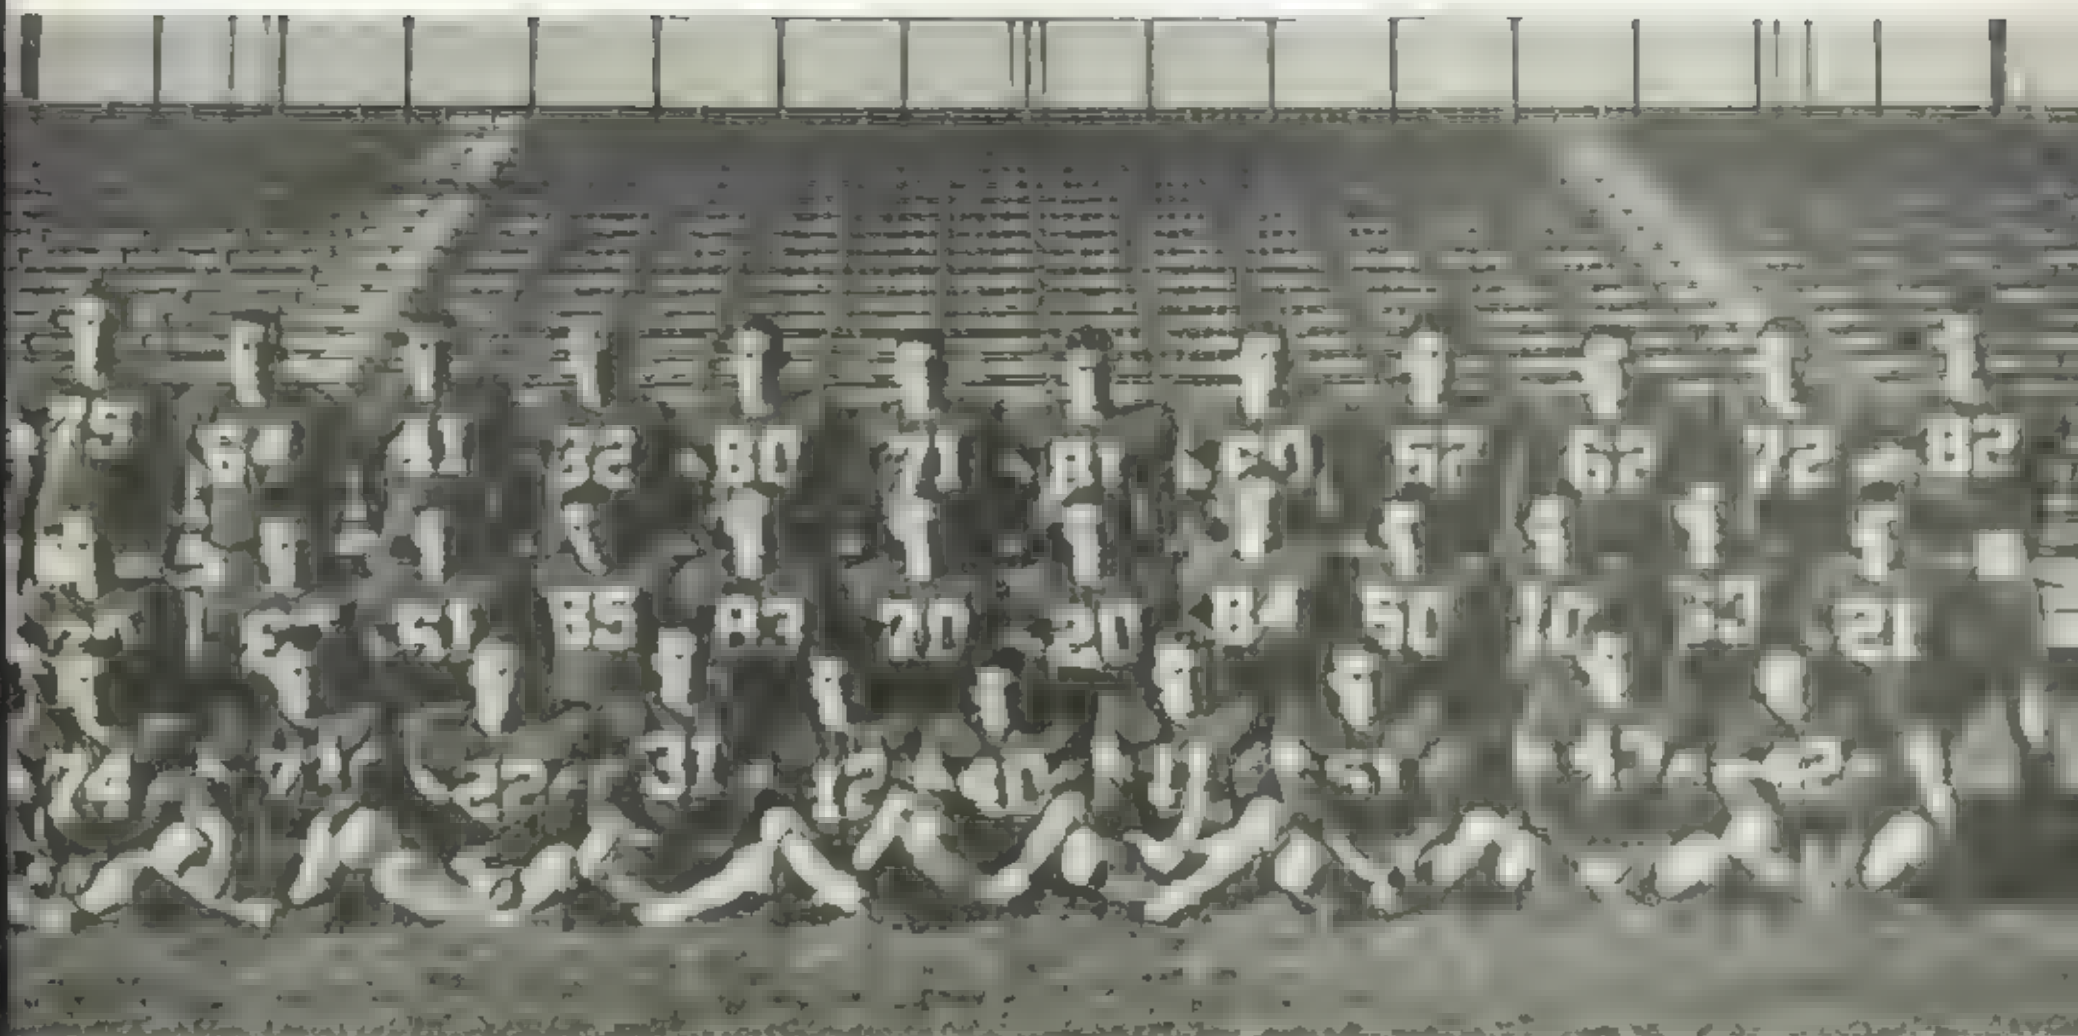

The majority of the members received the regular Quill and Scroll badge while those holding staff offices had their position designated on the insignia.

JAMES GALT WAS FORCED OUT OF GAME BY A TEENAGE BOY.

The boys who donned Bossier City High School's grid togs in 1955 provided the Bear-kats with one of their most successful seasons in recent years. They finished their campaign with a district championship and a record of nine victories, one tie and two defeats. Bossier stunned the entire state mid-season when the Kats dished out a 40-27 shellacking to Fair Park, the North Louisiana AAA Champions.

Football got off to a fast start for the Green clad Kats. On Sept. 3, Bossier opened its grid bid by outclassing Minden, 6-0. The Tide entered the game as Louisiana's defending AA state champions. Fullback Jake Montalbano skirted left end for Bossier's touchdown in the third quarter on a 23-yard run after Milton Almond's recovery of a Tide fumble on the Minden 23.

The Kats gained 204 yards on nine first downs while giving up 138 yards on nine Minden first downs.

FOOTBALL IN 1955

Linemen played a prominent role in the triumph. One Minden threat was bottled inside the Bossier one-yard line in the fourth period and another was erased by a penalty. Paul Robinson, a Minden end, scooped a Bossier fumble and raced 92 yards for a touchdown but the Tide was off side.

Coach Bill Maxwell's high-powered pigskin machine encountered miseries a week later in its 7-7 date with Jonesboro-Hodge. Three Bossier touchdowns were nullified before the Kats reached pay-dirt for keeps. The touchdown that counted for the Kats was scored late in the third quarter on a 25-yard pass from quarterback George Nattin to Bud Laughlin. Jake Montalbano pranced across for the point after touchdown.

However, Bossier's football hopes were given a shot in the arm when Leesville went

down to defeat in a 32-6 onslaught on the Kats' return to Memorial Stadium. Seaburn Lee, Louis Howard and James Gault teamed with Laughlin to lead a smoking Bossier assault that ground out 322 yards against the downstaters. Laughlin tallied on an early 70-yard sprint and on a fourth quarter Nattin pass; Lee crossed twice on short smashes and Howard added a 35-yard second period paydirt run and Laughlin scampered 70 yards for another. Leesville fumbles were recovered twice by Bossier linemen to set up touchdowns.

Defenses of the Kats spelled trouble for St. John's while Bossier was blanking the Flyers, 40-0. With James Gault and Bud Laughlin leading the assault, Bossier amassed 375 yards rushing and southpaw George Nattin passed for 100 yards and two touchdowns. Gault and Laughlin scored twice and one touchdown apiece was added by Larry Baldwin and Wayne Covert. Bossier reserves saw considerable action against the AA Flyers.

Bossier tasted its first defeat of the championship year when Frank Pernici and the Byrd Yellow Jackets conquered the Kats, 35-0, before 7,000 spectators at State Fair Stadium. Pernici rambled 92 yards for a touchdown on the opening kick-off. The longest gain of the night by the Kats occurred in the fourth quarter when Bud Laughlin

passed to Larry Baldwin on a play that covered 43 yards. Baldwin appeared to be in the clear when Byrd's Pat Studstill made a shoestring tackle to nail the Kat on the Jackets' eight. Bossier left the field with 144 yards rushing—40 of which were picked up in the first half.

A championship was dropped into the laps of the Bossier crew on Oct. 5, when the Kats mauled the Lumberjacks at Springhill, 27-7. Bossier outgained its hosts 289 yards to 214 yards and topped first downs, 14-11. George Nattin's pass to Baldwin put Bossier ahead 6-0 in the first quarter but Springhill roared back to go ahead 7-6 early in the second. Shortly later Seaburn Lee crashed over from the three and Stevens converted. Jake Montalbano skirted right tackle to set up a six-yard touchdown run for Laughlin in the third and Montalbano galloped 30 yards for the final TD in the fourth. Stevens converted three extra points.

Pineville was an easy opponent for the Kats, who romped 448 yards on 19 first downs while emerging a 31-0 winner. It was Montalbano who geared the massacre. He set sail from his own 39 for a 61-yard pay-dirt sprint early in the first period and emerged the leading ground gainer. Gault scored twice for the Kats. Randolph Norman had one of his best nights breaking holes open for the Bearkat backs.

Meal before the game

What was probably the biggest upset of Louisiana's state-wide season was produced when Bossier walloped Fair Park 40-27 at State Fair Stadium. More than 10,000 spectators cheered Jake Montalbano as he scored on jaunts of 48, 42, 65 and 28 yards. He was hailed a swivel-hipped kangaroo after his performance against the Indians. Bossier gained 329 yards on six first downs while Fair Park was churning 287 yards on 19 first downs. Laughlin was a hero. He returned a kick-off 81 yards to open the gate for one of the touchdowns. The Kats had perfect

timing backed up by spectacular line play by Robert Bell, Randolph Norman, Donald Scroggins and Milton Almond.

A determined and hard fighting Bossier team emerged victorious in one of the roughest contests played at Memorial Stadium when the Kats hurdled the Homer Pelicans, 13-7. A 15-yard pass by Bobby DeLoach to Joe Simpson put Homer ahead early in the first quarter. A plague of fumbles slowed down Bossier until the second half. With fullback James Gault and Montalbano setting the pace the Kats scored in the third and fourth quar-

Seaborn Lee, Bearkat left halfback, reels off another long run against the Pineville Rebels'

ters and Stevens converted once for the win. Norman stole the ball on a Homer handoff and raced 47 yards for the first touchdown. Gault intercepted a Homer pass in the fourth on Bossier's seven to start the Kats on their second TD maneuver. John Mercer showed up as a stalwart on defense, on one occasion personally preventing a Homer score.

Fumbles backfired against the Kats in their first scrap with North Caddo as the Rebels upset Bossier, 20-6. The Rebels recovered three of four Bossier bobbles. Bossier's only touchdown was notched late in the second quarter on a two-yard plunge by James Gault. North Caddo rambled 210 yards on 10 first downs holding Bossier to 157 yards on 11 first downs. Bossier was without services of Montalbano who was recovering from injuries.

Alert and swift-legged, the Kats conquered another AAA opponent when they downed the West Monroe Rebels, 20-12, at Monroe. Bossier scored in the first minute on Gault's 19-yard run. Gault intercepted a W.M. pass in the first minute of the second half to set up another tally. The other markers were by John Mercer on a 17-yard hoof and Bud Laughlin on a 12-yard end sweep. Bossier had 231 yards on six first downs and West Monroe covered 171 yards on 11 first downs.

Bossier versus Homer

Tornado storms Seaburn'

Bossier dominated another AAA rival in a 19-12 offensive battle with Haynesville. Seaburn Lee accounted for all the winning team's scores on jaunts of two, one and 11 yards and added an extra point. The Kats raced 257 yards on 14 first downs holding Haynesville to 224 yards on 13 first downs. Haynesville marched to the one-foot line as time ran out. Bossier scored twice in the fourth quarter for the decision.

The successful season was brought to a close at Monroe where the Kats were edged, 14-13, by Neville in the bi-district playoffs. Bossier marched 66 yards with 30 seconds left in the second quarter. Bud Laughlin bounced over from the seven but Seaburn Lee was topped short of the stripes on an attempt to score the conversion via rushing. A Laughlin pass to Baldwin covered 28 yards before John Mercer went over on a four-yard run three plays before the game ended.

Neville sewed up its success when Tom Causey intercepted a Bossier pass and returned it 30 yards for the second Tiger touchdown.

The Monroe team finished its season as state champions. Bossier had 12 first downs on 168 yards rushing and Neville gained 216 yards on 11 first downs.

FIRST ROW Don Coker, Donald King, Clifford Roe, Woodie Young, Bubba Spataro, David McGowan, Billy Hargraves, Donnie Williams, Jimmy Taft. SECOND ROW, Keith Price, David Dow, Jerry Scroggin, Jerry Madden, Donald Madden, Philip Elrod, Richard Barrett, William Rivers, Bobbie Kile, Coach Hardaway, Tony Rentz. THIRD ROW Jerry Perry, Don Vallery, Archie Wilson, George Horton, John Womack, Norman Thoms, Gary Piper, Raymond Horton, Howard Hewitt.

NINTH GRADE LITTLE KATS

Coach Hardaway's ninth grade Little Kats, though light in comparison to their opponents, had an above average season. They placed second in the Shreveport Recreation League, being defeated by Byrd's freshman team. This season the Little Kats won 5, lost 1, and tied 1 game.

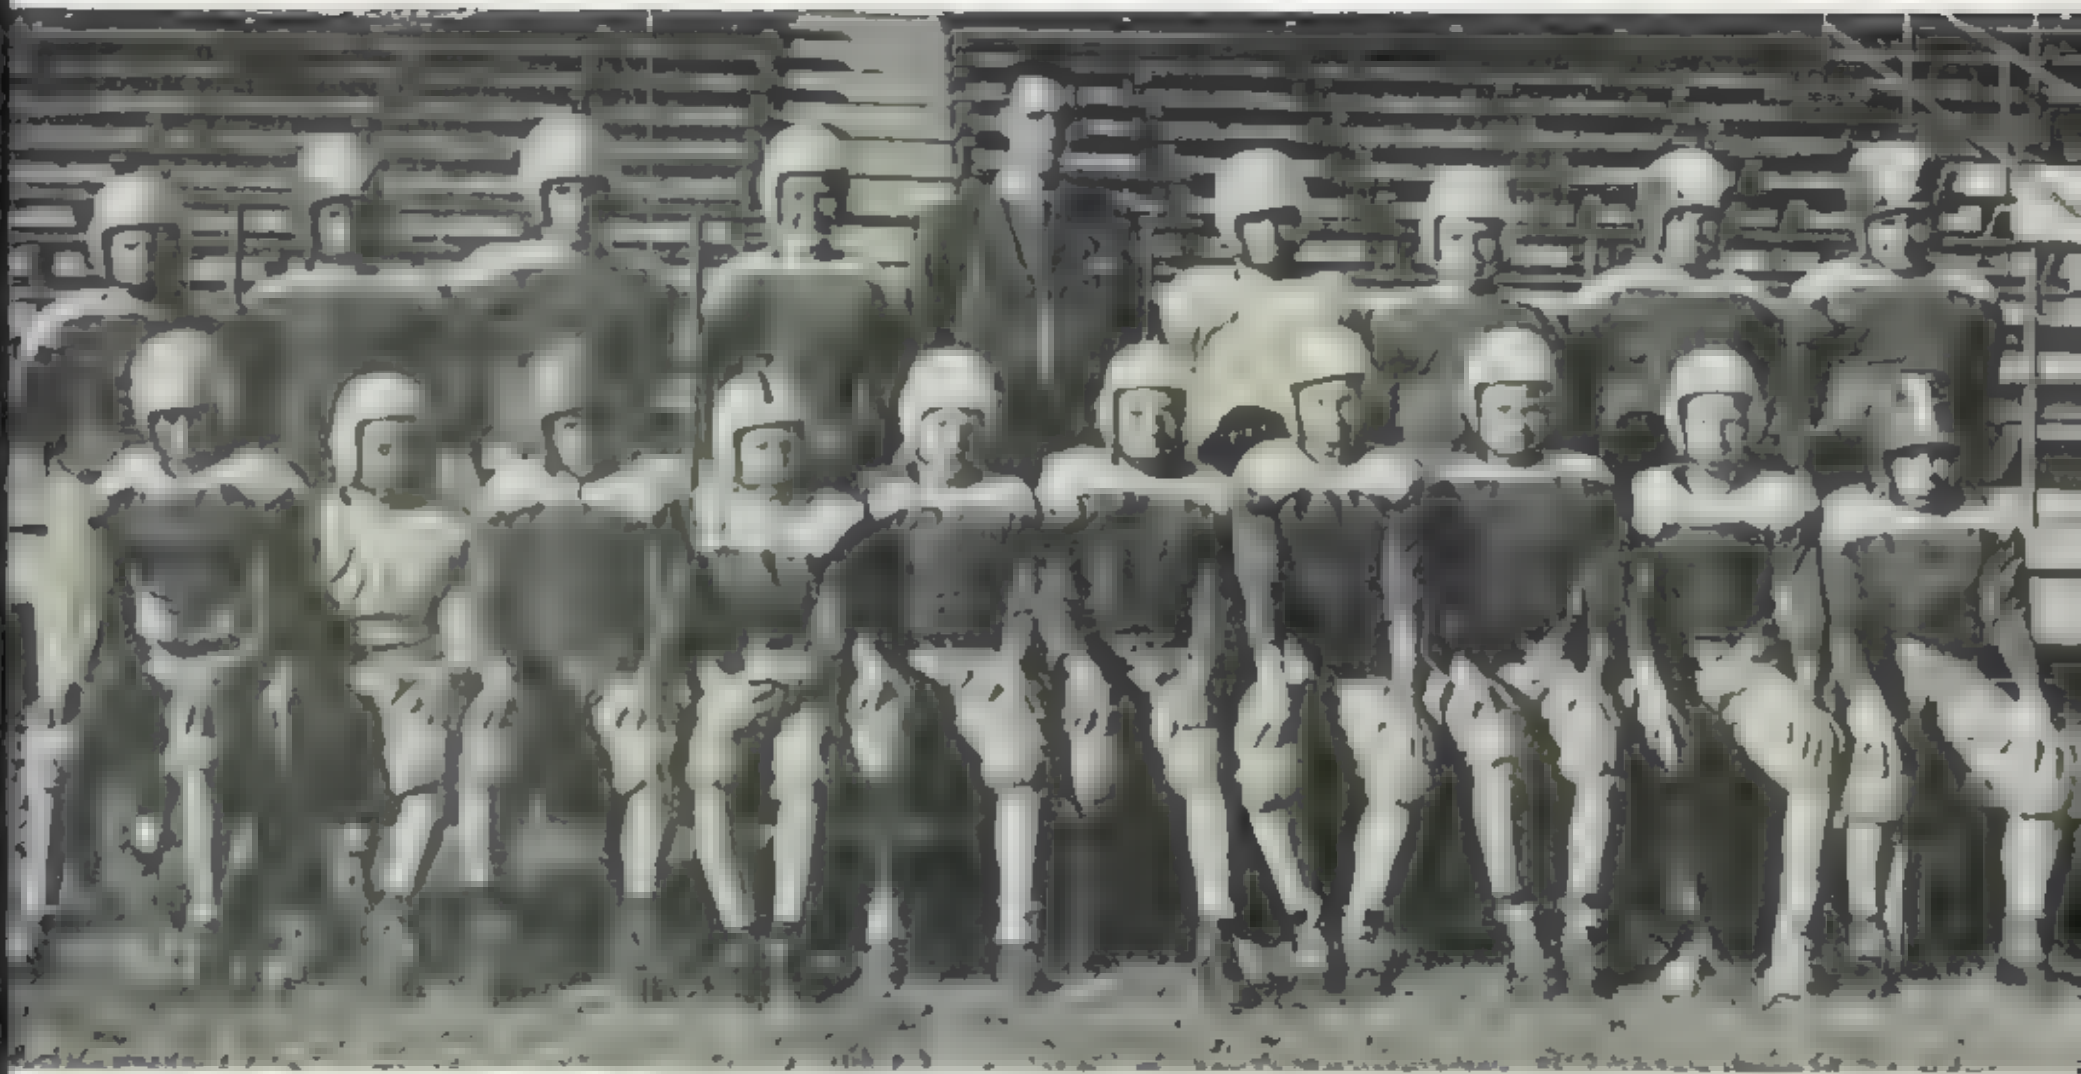

The Little Kats ran out of a Split-T formation; but sometimes shifted into a modified double wing in order to utilize the passing arms of Bobbie Kile and Don Vallery and the excellent receiving of William Rivers and Jimmy Taft at ends. Defensively, David Mc-

Gowan, Donald King, and Jerry Perry were outstanding. The guiding of the team, the making of decisions on the field and handling the ball in the quarter back slot were left in the capable hands of Bubba Spataro, the team captain.

This group has the determination, drive and sense of fair play that will continue to make the school proud of them as they move up to varsity positions in the future. The Little Kats of today are the Bear-Kats of tomorrow.

Ready for action

SEATED: Harlan Beene, Kenneth Waggoner, Steve Nehring, Dickie Anderson, Sam Jordan, Tommy Cook, Doug McGowan, Kenneth Hill, David Colvin, Robert Wise. STANDING: Bob Hollingshead, Ronnie Smith, Eddie Braswell, Cecil Upshaw, Coach Steger, Everett Branyon, Tommy Mitchell, Jimmy Smith, Dennis Kile

EIGHTH GRADE FOOTBALL

The Bossier 105 lb football squad, headed by Coach D. W. Steger, was defeated only by the champions of the Shreveport Recreation league. This was by the Cedar Grove Kiwanis Club by a score of 6-0. However, the statistics show the Bossier lads led both offensively and defensively. They scored a total of ninety-nine points while holding their opponents to eighteen points through a six game schedule. The scoring was evenly distributed among the backs which included Ronnie Smith, QB, Doug McGowan, Jimmy Smith, IH, Dennis Kile, FB, and Harlan Beene, RH. Ends Eddie

Braswell and Cecil Upshaw were constant threats for the defense with their pass snaring and blocking. The boys in the line were instrumental in each victory, which was composed of Cecil Upshaw, LE, Bob Hollingshead, LT; Sam Jordan, LG, Ken Hill and Everett Branyon, C; Steve Nehring, RG; Tommy Mitchell, RT; and Eddie Braswell, RE.

One of the most exciting victories came at the expense of Broadmoor on a sixty-five yard jaunt late in the fourth period by Doug McGowan. The extra point came on a plunge by Dennis Kile to provide the 7-6 margin.

VARSITY BASKETBALL

Jumping high.

The Bossier Bearkats completed the 1955-56 season with a fine record of eighteen wins and eight losses. The 1956 squad started with the least experienced group in the eight years of Coach Frank Lampkin's tenure as head mentor, whose over-all record was 229 wins and 72 losses, for a .761 percentage.

While the Bearkats were not as sharp-shooting a team as previous seasons, they picked up the slack as a tough defensive team, giving such stars as Minden's Jackie Moreland and Ruston's Bobby James a tough time. The Kats averaged 51.1 points per game while holding their opponents to a 44.0 average.

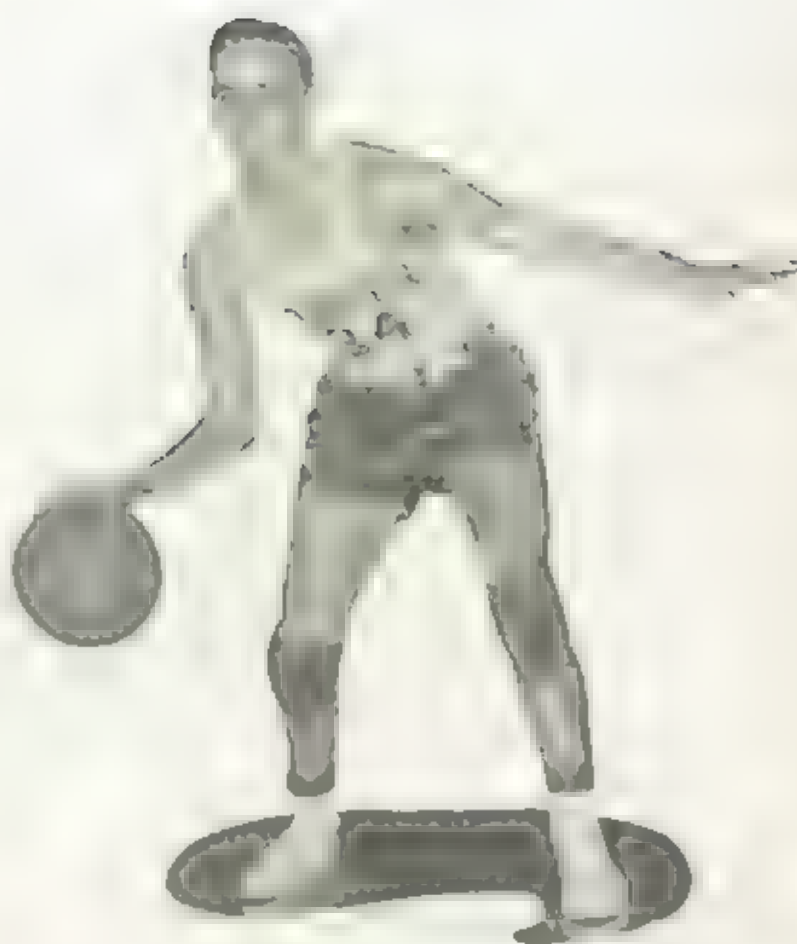

The 1956 Basketball Team elected Jo Ann Thornton as Basketball Sweetheart of 1955-56 because she has given her full support to the team and to her school.

— District Games

Edward Shaw

Edward Shaw, Gene Madden, Jo Ann Thornton, Basketball Sweetheart, Larry Baldwin, Mack Lattier

Hurry, Bossier, get that ball!

Gene Madden, Burgess McCranie, George Nattin, Mack Lattier, Howard Bennett, Cortex Bridges

In the District 1-AA, the Bearkats evolved with six wins and two losses to take second place. The Kats' offensive power was well divided among six players, with Senior Edward Shaw showing the way with a total of 304 points, an average of 11.7 per game. Edward was trailed closely by Mack Lattier with a 9.5 average, James Pendarvis with a 7.2 average, George Nattin with a 6.1 average, Larry Baldwin with a 6.08 average, and Gene Madden with a 5.88 average. The Bearkats also received able assistance from Jerry Swint, a first year letterman.

The Bearkats were eliminated in the Springhill, Minden, and Bossier Tournaments in the semi-finals by only a few points each time.

The Bossier quintet lost out to the Ruston High School team in the playoffs by a 56-54 score, in one of the most thrilling games of the season for both teams. The game was tied thirteen times, with Ruston making the last tie-breaking goal with fifteen seconds left to play. Ruston went on to win the State Championship.

Coach Lampkin cleared his bench of Bearkats on January 17, and still had no difficulty snowing under St. John's by a convincing score. The Kats raced away to double the score at 30-15 by halftime and coasted in with reserves manning all positions. It was Bossier's second victory without a setback in District 1-AA competition.

Come on, George!

In the Springhill game, the Bossier Bearkats, after trailing by three points at the intermission, came storming back to double the Springhill output in the final half to defeat the Lumberjacks. In a nip-and-tuck first half, the Springhill cagers held out for a 23-20 advantage at the end of two periods. Then, paced by Edward Shaw, the Bearkats took full advantage of the last 16 minutes to tally 26 points while holding the Lumberjacks to 13.

On January 31, Minden High School's Basketball force took its first swipe at District 1-AA and crippled the Bossier Bearkats. Although the Bearkats stayed in there fighting, Moreland and crew proved to be too much.

Again on February 10, the Bossier Bearkats had too much of everything for the visiting St. John's Flyers. Bossier found it easy to win over the Flyers in the District 1-AA contest.

Bossier methodically crushed Springhill on February 13 in what amounted to a warmup for the following Friday's big clash with District 1-AA leader, Minden.

The Bossier Bearkats nearly took away the District 1-AA Championship from Minden on February 17. However, Minden refused to pay off on weariness and pulled away from the Bearkats.

The Bearkats placed Edward Shaw and Mack Lattier on the All-District First Team, and George Nattin on the second team.

Take it away, Bearkats!

GIRLS' BASKETBALL

CLOCKWISE starting with Coach Bowman, Miss Bowman, Norma Wilson, Harriet
 Porter, Sue W. Price, Nina, Fernman, Helen H. Stone, Ann Tharp, Jo Nelson, and Fernman
 DePue, Mary, Patricia, Nancy, Robert, Irene, Eric, Mary Ann, Mary
 M. on 1st row, Fernman, Mary, John, James DeM. on 2nd row.

Miss Bozeman coaching the girls

The Bossier girls' Basketball team, coached by Miss Gloria Bozeman, went through the 1955-56 season with a record of 15 wins against 13 defeats. Injuries to several players of the team handicapped the team, but nevertheless they proved themselves worthy of several honors.

Bossier was in a three-way tie for first place in District 1-AA, but in the play-offs held at the Cotton Valley gymnasium, they were eliminated and Springhill took top place. Roberta Booth, guard, and Lynette East, forward, were chosen to represent Bossier on the All-District 1-AA team.

In the Bossier Parish League, the Bearkittens took second place, having been defeated only by Plain Dealing. In the Parish Tournament, they won third place by defeating Haughton. Nancy Foreman, guard, was named to the All-Parish team and also had the honor of being chosen for the All-Tournament team at the Minden Invitational Tournament.

For the first year, Bossier hosted a girls' invitational tournament on February 3-4 and several strong teams made the meet an interesting one. With their hopes high and their sight on first place, the girls got past the first round of play, only to have their view dimmed by a loss to Plain Dealing in their next contest. Guard Roberta Booth made All-Tournament in the Bossier Tournament.

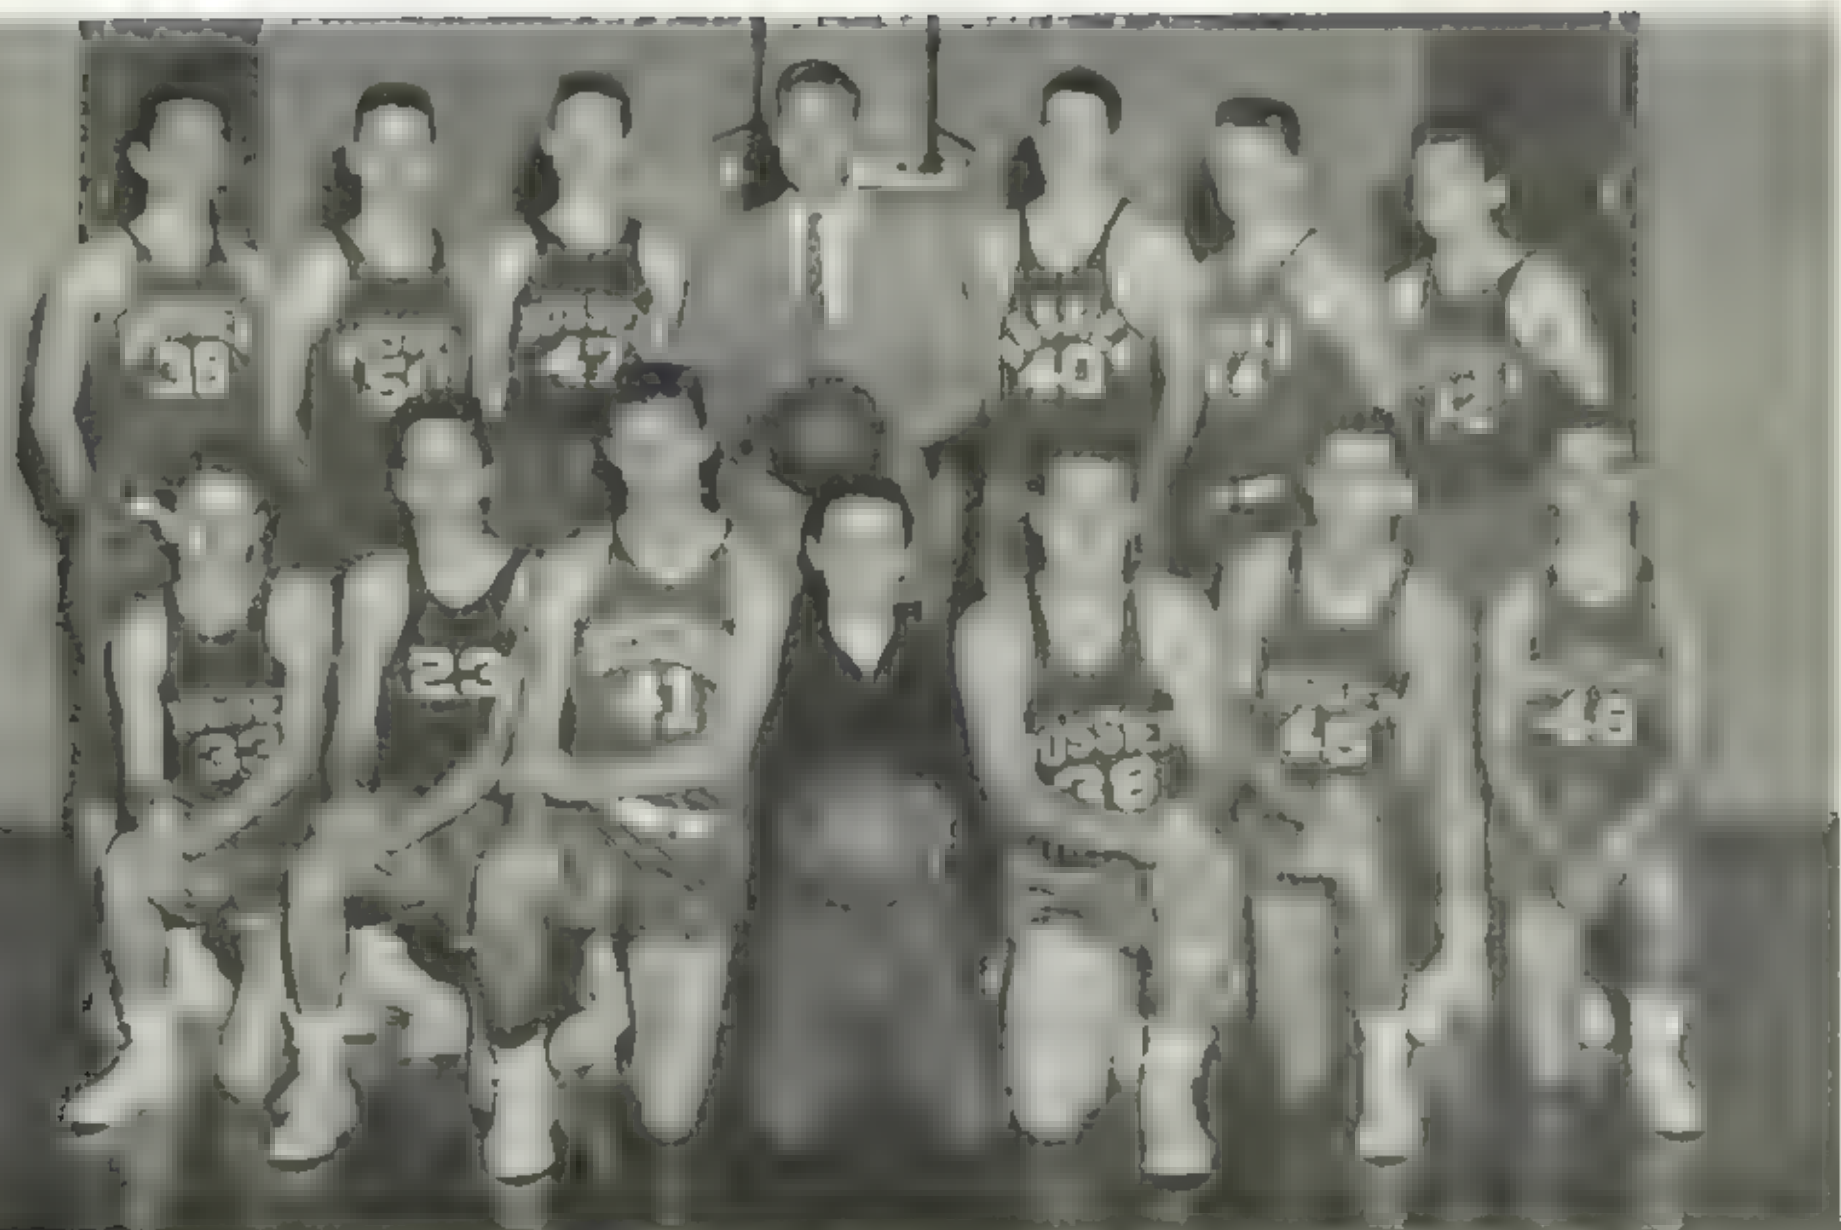

Seniors on the team are Nancy Foreman, Sue Walpole, Lynette East, Carolyn DePrang, and Marilyn Taylor. Remaining players are juniors Roberta Booth, Jo Nell Carter, Phyllis Mitchell, and Judy DeMaine. Sophomore Ann

Tharp and freshmen Miriam Murphy, Nancy Stewart, Myrna Patrick, and Gwen Huston, finish the squad.

The girls are looking forward to a good season next year and with hard work and cooperation on the part of all, they should make a good showing. All the way, Team!

Manager Norma Wilson doing one of her jobs

FIRST ROW: Edmond Jones, Willard Perkins, Charles Stevens, Wendell Hayes, Wayne Davis, Douglas Smith, Freddy Snowflake.
SECOND ROW: Howard Bennett, Ken Wilbur, Jimmy Lewis, Coach Horneman, Bill Sanders, Bobby Joe Howell, Lindy Morse

PARISH BASKETBALL TEAM

The parish team had a very good season this year. With little to go on at first except the determination of the team to win and to play to their best ability, they finished the season with a record of twelve wins against three losses.

The team is made up of boys who have not received a varsity letter in basketball and the varsity takes the best ten men at the beginning of the season and does not let them play on this team.

The offensive power of the parish team was centered around the ability of Bobby Joe Howell, Howard Bennett, and Charles Stevens. These boys were the spark plugs of the team with Howell leading in the scoring column followed by Bennett from the center position.

Lewis and Lumsden rounded out the first five, but were backed up with help from the rest of the team.

During the season they play each team in the parish twice and climax the season with the parish tournament. During the regular season they were tied for first place with Benton, but lost in the play-off game by three points. Our boys lost their first game in the parish tournament to Haughton but came back to win from Plain Dealing and to take third place.

We are very proud of the record of this team because it is composed mostly of boys who are learning the fundamentals of basketball so that next year they will be ready to play varsity basketball.

FIRST ROW: Kenneth Hill, Donnie Williams, David Colvin. SECOND ROW: Norman Thoms, Mike Kropp, Phillip Elrod, Melvin Barberousse, Raymond Horton, Donald King, Mike Hamilton. THIRD ROW: Bubba Spataro, Ronnie Smith, Eddie Braswell, Coach Hardaway, Jerry Mallen, Bobby Kite, Don Vallery, Jimmy Taft. NOT PICTURED: Bill Luttrell, Billy Spencer

NINTH GRADE BASKETBALL

Coach Hardaway divided the ninth Little Kats into two squads: an A and B team; entering each team in separate basketball leagues in the Shreveport Recreation Department and YMCA leagues.

The "A" team went through their league play undefeated — winning the Shreveport Ninth Varsity League Championship and the YMCA ninth grade league championship. The season record for the "A" team was 16 games won and no losses.

The "B" team was entered in the East Side Recreation ninth grade league in Shreveport. They won the league championship, being undefeated. Their season record was 15 wins and no defeats.

So in league play the combined record of the Little Kats Basketball team was 31 wins, no losses, and three championships.

The two teams were combined for tournament play, winning the YMCA Hi-Y tournament.

NINTH GRADE CHEERLEADERS

LEFT TO RIGHT: Louise Grosjean, Carol Ann Demesy, Peggy Arwood, Sandy Gartsfield, Carolyn Lombardino

Lynette East, Jackie Naylor, Sue Walpole

The 1955 tennis season put Bossier into the ranks with other good teams. Although the schedule was not a heavy one, the team did compete with the best. The boys were led by such standouts as Ken Wilbur, Mike Burkett, Jerry Sanders, and Jerry Malone. The girls were headed by Lynette East, Sue Walpole and Jackie Naylor.

The Bossier High "Racket Wielders" proved to be a tough obstacle in the District Tournament of the State Championship play-offs, competing against Byrd, Fair Park, Jonesboro, Neville, and Ruston. Ken Wilbur, the Boys' Single entry won out until the semifinals when he lost a tough battle to the Byrd entry. Likewise, Lynette East, number one entry for the girls lost out in a good match in the semifinals. The boys' doubles, Ken Wilbur and Mike Burkett, and the girls' doubles, Lynette East and Sue Walpole, also lasted until the semifinals. Keeping up the trend, Jackie Naylor and Jerry Sanders, in the mixed doubles were defeated in the semifinals.

In losing only Jerry Sanders from the team, the Bossierites should prove to be tough on all opponents next season.

THE 1955 TENNIS TEAM

Mr. Lampkin, our tennis coach

Mike Burkett, Jerry Malone, Warren Haslouer

COACH DAVID STEGER

Practice drills can be really rough

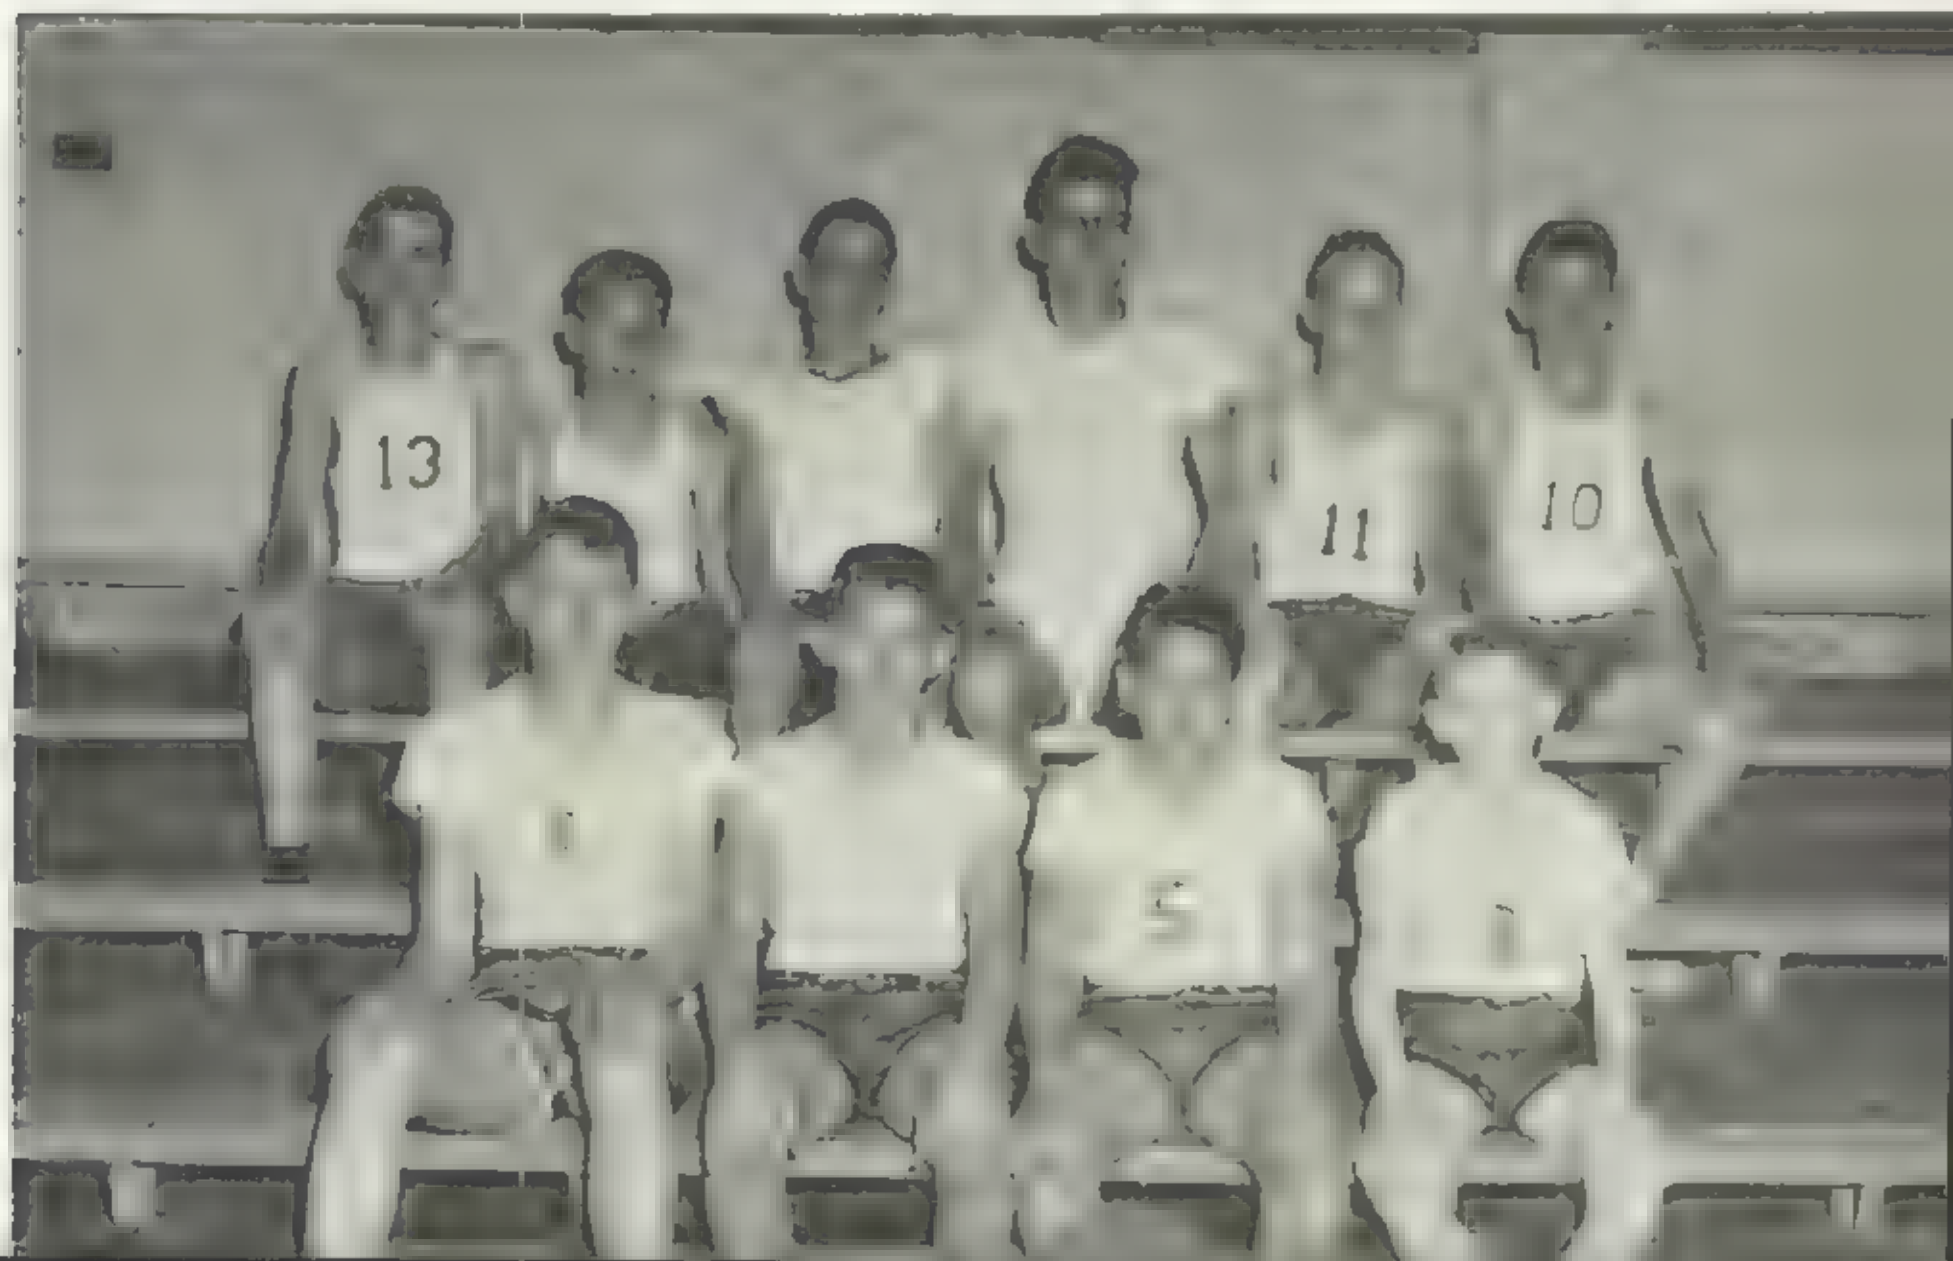

Coach Steger's eighth grade basketballers are the City Champions for the fourth year in succession. They played a 16-game schedule which consisted of 14 wins and 2 defeats. They defeated St. John's in the finals of the play-offs, 30-19, to cop the title. The team was sparked offensively by Dennis Kile and Cecil Upshaw. The work underneath the basket was handled by Donald Lewis, Barry Box, Burrell Horton, and Tommy Rachal.

Lewis and Horton both received much praise for their excellent rebounding performances. They, along with their team mates, always came up with the all important rebounds necessary to be successful in the win column.

The team worked hard and played as a unit both offensively and defensively, to achieve that which was awarded them—THE CHAMPIONSHIP!

EIGHTH GRADE BASKETBALL

FIRST ROW Douglas Brown, James Ribelin, Charles Ackerman, Jerry Payne. SECOND ROW Tommy Rachal, Dennis Kile, Burrell Horton, Barry Box, Donald Lewis, Cecil Upshaw

T R A C K

Our six returning lettermen of the 1955 track squad, John Mercer, Bud Laughlin, Colin Freeman, Phillip Hand, Robert Bell, and Melvin Stathum, hope to make a repeat performance of winning the 1-AA District Title.

Coach Charles Birtman says, "This season we should be strong in the sprints and relay races and, with the help of Laughlin, strong in the broad jump and hop-step and jump."

The squad as a whole showed up very well in the Byrd Relays this year, defeating all class AA schools that were entered in the meet.

As the season progresses, the squad should round into shape and be a contender for the state title.

Schedule for the season is Byrd Relays, March 10; Plain Dealing Invitational, March 20; Tri-State Meet, March 24; City Meet, March 28; Northwestern Relays, April 7; Haynesville Invitational, April 21; District Meet, April 28; State Meet, May 4-5.

Castro Cortez Bridges Bobby Starks STANDING Coach D W Steger Teddy Smith Buddy Davidson Mack Lattier Marvin
Richardson Bobby Nelson Neal Reeves George Nattin Bud Laughlin

B A S E B A L L

The Baseball Squad had a fairly good season in 1955, finishing in a tie for third place in the district.

The squad produced several players who excelled in their positions. There were eleven first year men, five two year men, with Buddy Davidson and Pete Walpole being the oldest veterans, each having three years experience. Pete made the pitching staff on the all-district team for the second time in a row. Bud Laughlin, leading the league in fielding at second base, was also selected for the team.

Another boy rating high on the defensive list was Bobby Starks. Bobby finished with the highest fielding average for all outfielders, committing only one error.

George Nattin was extremely effective in his first year on the squad, picking up several wins on the mound and doing a "bang-up" job in the outfield between chores.

The Officers are making big plans for Achievement Day

The Music Club, sponsored by Mr. Kenneth L. Green, director of the Bossier High School Band, was formed for the basic purpose of teaching its members the true value of and appreciation for good instrumental music. This enables the members to develop a better foundation for their playing during regular rehearsal periods with the band. The club's membership was formerly opened to all who wished to join but has since been restricted to Concert Band students only.

Listening to records of all types of music, both classical and swing, sight-reading new music, and making tape recordings of this music are the club's principal activities.

Each year the club has some major project, such as the purchase of several long-playing records to add to their record collection. They also purchase sheet music for the Concert Band.

The members are very proud of this organization.

MUSIC CLUB

4-H CLUB

The 4-H Club of Bossier High School has 23 members. The big day of the club year is ACHIEVEMENT DAY, held each spring, in which all 4-H Clubs of Bossier Parish meet to compete with each other in the work done in their own respective clubs. The girls are especially interested in home improvement, and the boys give their time and interest to general improvement of home and farm.

During National 4-H Club Week, March 3-11, more than 2,100,000 4-H Club members in America this year will unite Head, Heart, Hands, and Health in "Improving Family and Community Living," the club's continuing theme for 1956. These young people between 10 and 21 years old, are teamed up to work for better homes, schools, and churches in their own localities. Louisiana now has about 80,000 enrolled in 4-H Clubs.

Industrial Arts Club working with copper and leather

OFFICERS

GARY HUMAN	President
KENNETH KELLY	Vice-President
CHARLES PRATT	Secretary
RUPERT MADDEN	Sponsor

The Industrial Arts Club was organized at the high school this year for students enrolled in mechanical drawing and shop classes only.

One of the objectives of the Industrial Arts Club is to gain more knowledge of the industrial types of work and manufacturing that is performed in this area of the state.

To gain this objective, several local field trips are planned in this district along with one out of state trip during the year. The boys pay their expenses on these trips.

The club also sponsors leisure time activities such as leatherworking, art metal work, and models. This activity takes place after school hours in the shop.

Projects are planned this year to improve some of the conditions in the shop and around the school. Construction of new tool panels, storage cabinets, and signs in the shop will be started during this school year.

FUTURE TEACHERS CLUB

The success of our nation is based upon education of the finest quality. Bossier High School's Future Teachers Club of America is one of the most successful clubs. It is noted for the sincerity that exists in the members' work to reach the high goal of becoming teachers of tomorrow's leaders and workers.

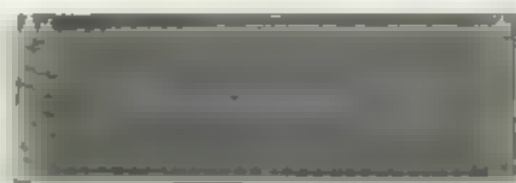

The members of this club are among the most active students of the school. In the absence of teachers, they are always ready and willing to fulfill the duties of a substitute teacher. This year, as in past years, the club visited Waller Elementary School. This helps greatly in the members' final decision to become teachers.

Through numerous projects, such as cake sales and rummage sales, the club is financially able to sponsor the most interesting highlight of the year, a trip to the annual Future Teacher's Convention. This convention is held on the Louisiana State University campus and lasts for several days. Staying in the dormitories permits the members to have a marvelous time, as well as learning more about the teaching profession.

The Future Nurses enjoy a combination social tour and bandage practice.

In October, 1953, Bossier High School took the lead in organizing the first Future Nurses Club in Bossier and Caddo Parishes. The purposes of this club are:

- To further interest and knowledge in the field of nursing.
- To cooperate with the Medical Auxiliary in their civic projects.
- To make contacts with people already in the field of nursing.
- To complete at least two projects a year in the field of nursing.

During the Club's first year of organization it had an enrollment of twenty students. Since then we have grown steadily; this year our enrollment is thirty-five.

Throughout the three years of its organization the club has sponsored many worthwhile projects. Each year we have charge of the American Junior Red Cross drive in our school.

The sponsor of the club since 1953 has been Miss Doris Freeman.

Bossier High School is very proud of its FUTURE NURSES CLUB and the fine work it has done.

FIRST ROW: Eddie Craft, Durwilla Roach, Martha Phillips, Helen George. SECOND ROW: Tommy Rogers, Linda Peterson, Judy Moore, Barbara Patterson

FUTURE BUSINESS LEADERS

The Future Business Leaders of America is a national organization for students in business education. It is an organization to teach its members more about the business world.

A chapter of the Future Business Leaders of America was organized at Bossier High School in 1954. Any student who has had or is enrolled in a commercial subject is eligible for membership. We take field trips and obtain speakers from the different phases of business to speak to our club.

One of our aims is to try to prepare young people for a useful occupation and to impress upon them that they should carry on that occupation in such a manner that it will bring the greatest good to the greatest number.

We also try to teach them that every young person should take responsibility for carrying out assigned tasks in a manner that will reflect credit to himself, his associates, his school, and his community.

We believe that the future of America depends upon mutual understanding and cooperation of business, industry, labor, the home, the church, the school, and by the people of our own and other lands.

TROUPE NO. 1514

This organization was founded nationally in 1929. Since that time there have been troupes formed in almost every state of the Union and the work of these groups is known in dramatic work everywhere.

In the latter part of the 1955 school session fourteen students were initiated forming Troupe 1514.

At the beginning of the 1955-56 school year the name of the Dramatic Club was changed to "National Thespian Society and Understudies." To become a Thespian a student must earn ten points by being in or working on the dramatic productions of the school.

Each year Thespians, with the help of the choir, has presented our Christmas program. Most of the backstage crew for the Senior plays and the Variety shows have been trained in this club.

Much credit is due to our sponsor for the past four years, Miss Charlotte Jaynes. Her encouragement has inspired Bossier Students in the field of dramatic work and to her the school owes gratitude.

Now fix it so it won't fall during the play

The Future Homemakers of America, founded on June 11, 1945, is the national organization of girls studying homemaking in high school. As an integral part of the program of home economics it offers opportunities for the further development of pupil initiative in planning and carrying out activities related to homemaking.

The Future Homemakers of America brings together state groups interested in and working toward better home and family living, provides opportunities to share in solving problems important to home life, and sponsors group projects, local, state and national in scope; it increases opportunities for the development of leadership and intelligent participation so much needed in a democratic society. The Future Homemakers of America Club is composed of Chartered State Associations, which in turn are made up of chapters in high schools offering homemaking.

The Bossier Chapter, having 42 members, is affiliated with both State and National Organizations.

Representatives attended the State Meeting in Alexandria and also the Northern District Meeting in Ruston.

Hi-Y is a voluntary club for boys based on the general principle of the National Hi-Y. It is Christian in emphasis, interdenominational in character, and democratic in practice.

The Senior Hi-Y at Bossier High School is sponsored by Mrs. Kate Gamble. Our Club encourages members to work together for high scholarship, physical health, moral worth and unselfish service.

An annual project of the Senior Hi-Y is the sponsoring of the He-Male Beauty Contest. So far we have had little trouble finding plenty of "Beauties."

With the Hi-Y main platform being to create, maintain, and extend throughout the community better Christian living, the Senior Hi-Y has been drawn closer to better standards of living and a closer bond with Christian work.

Sponsoring a program on television, and playing in "Y" tournaments, the Club has found that there is fun to be had in both Christian work and play.

SENIOR HI-Y

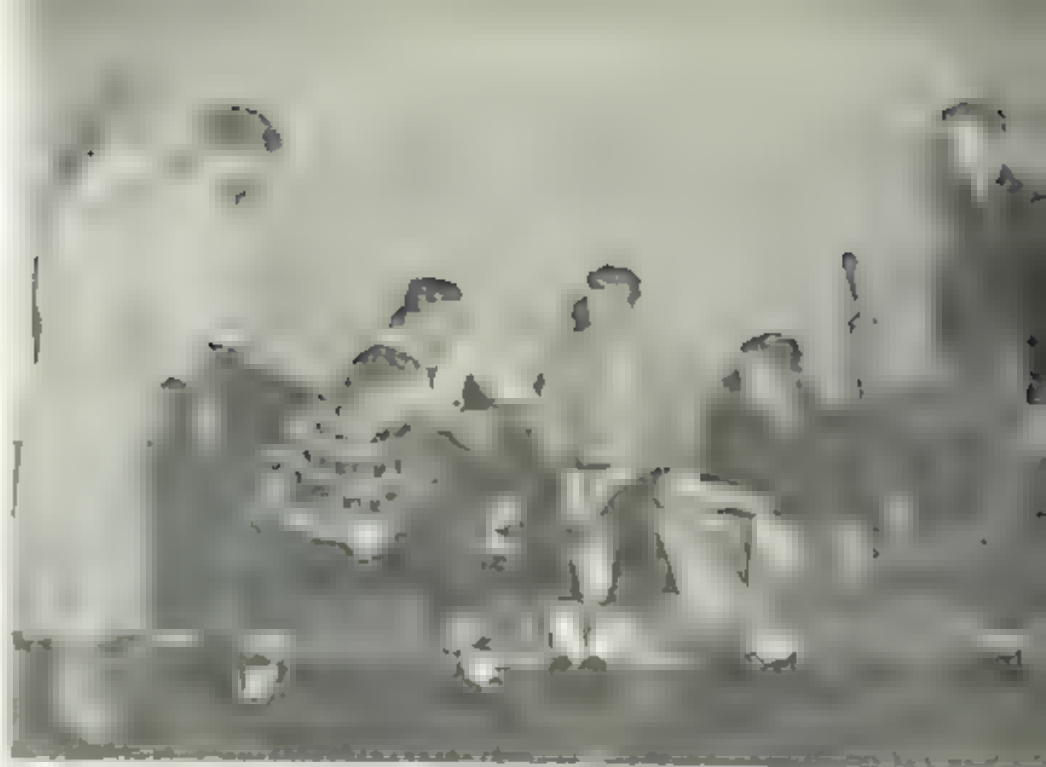

JUNIOR HI-Y

The Hi-Y is one of the outstanding organizations in Bossier High School. It is a Christian organization, sponsored by the Y.M.C.A., striving to broaden the boys' belief in God and their fellowmen.

The purpose of the Hi-Y is: To create, maintain, and extend throughout the school and community high standards of Christian character. The Hi-Y platform is built on clean living, clean speech, clean sportsmanship, and clean scholarship.

This organization believes in service for others, the community, and the schools to fit them for a greater service, and for better human relations throughout the world.

Our club was sponsored by Mrs. Mary Spinks, the first semester of the school year.

Now, Boys, make things work for you—not against you."

Hard at work on our Hi-Y Program.

Making plans for our Clean Speech program

The Sophomore Hi-Y is an active organization with its main purposes being to promote clean speech, clean living, teaching boys to live and worship in a Christian way, and making ourselves better citizens. We believe if we can do these things, we will be a better group of young men.

This year our project is trying to promote a "Clean Speech" program for the entire student body. We hope everyone will help us to do this. It is our belief that everyone would profit by this, if they would not only practice clean speech, but make it a part of everyday life.

During the year we entered two basketball teams in the Christmas Basketball Tournament which was held at the Y.M.C.A. during the Christmas holidays. One team won first place in the tournament and received a very nice trophy for this honor. Everyone had a very nice time playing against other teams.

We have planned a two-day camping trip for the club at the end of school.

The Freshman Hi-Y is interested in furthering Christian relationship within our school and with other schools. We do this through Athletics, Outings, and projects.

The basketball team from their group won the annual 9th grade tournament sponsored by the Y.M.C.A. This is the third straight year Coach Hardaway's Hi-Y has won this tournament.

Each year our Hi-Y sells mints, the proceeds going to help children overseas who are in need of assistance.

Our outing every year consists of a two days, one night, stay at the Boys Camp on Lake Bistineau, where we always have plenty to eat and lots of fun.

We were fortunate in having four boys attend the state Hi-Y convention this year. They not only had a wonderful time, but brought back information which has been of great value to the club.

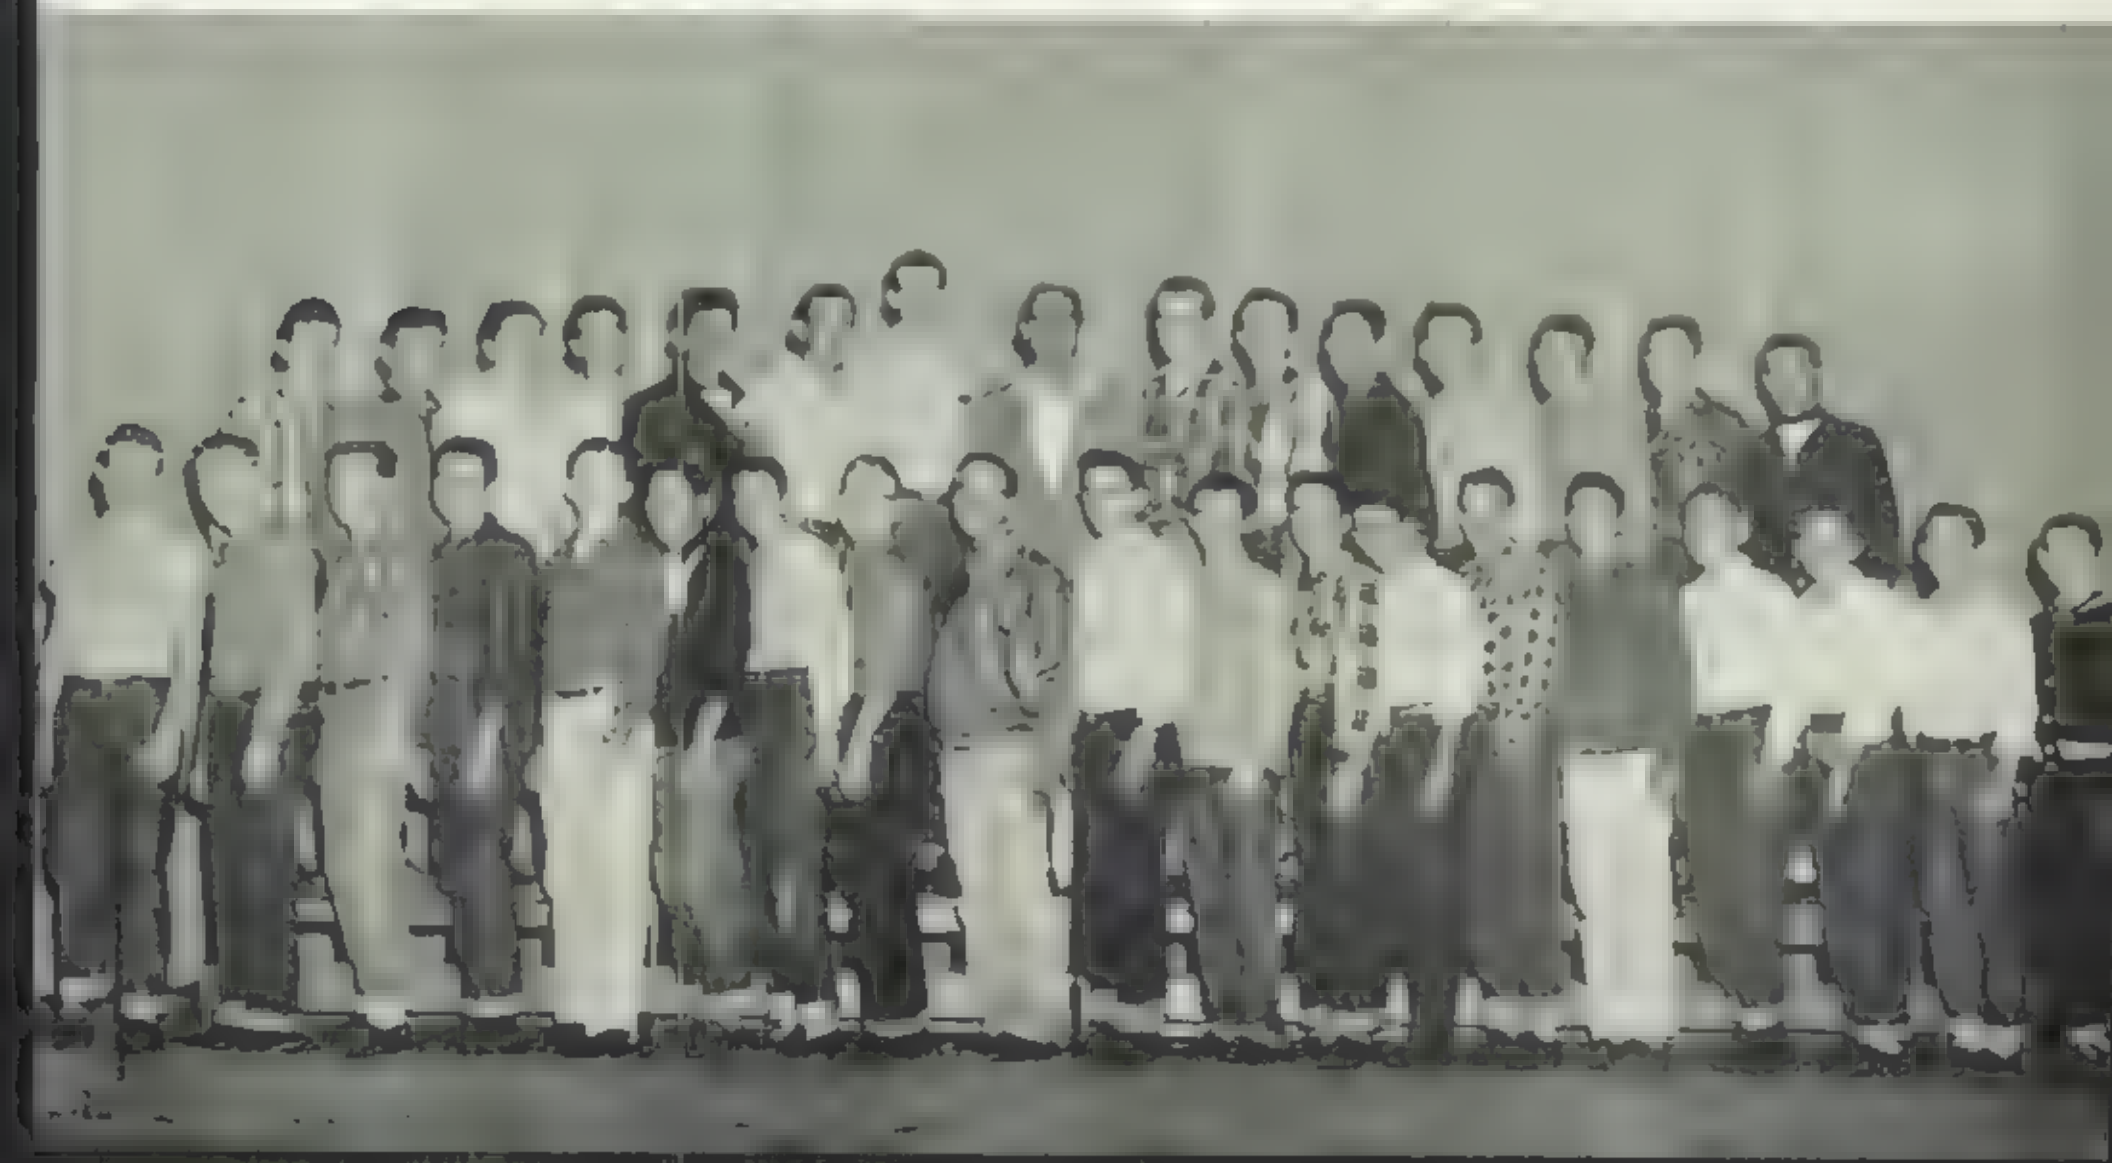

Great Idea! Now to eliminate all work involved

The Senior Y-Teens are girls in the senior class who are considered junior members of the Y.W.C.A. They meet twice a month at the high school and are affiliated with the Shreveport Chapter.

The hand book states that the purpose of this group is (1) to grow as a person; (2) to grow in friendship with people of all races, religions, nationalities; (3) to grow in knowledge and love of God.

Many of these girls have been members of this organization for four years of high school. They strive to render service to the school, city, nation, and world. All the programs are Christ centered.

One of the rewards of Y-Teen membership is wholesome recreation. This year's basketball team made a good showing. Swimming, crafts, and parties are on the "fun list" of the club.

Through this organization each girl finds new experiences, new opportunities, and new friends.

KEY CLUB

The Bossier High Key Club, under the sponsorship of the Bossier City Kiwanis Club, is moving forward with great strides in its second year. With the help of two sponsors from the Kiwanis Club, Bob Kilgore and D. L. Patrick, we are striving to make this one of our best clubs.

During the year we promoted several projects, the main one being our "White Christmas." We hope this will be a project of yours each year.

The Key Club is composed of members from the Sophomore, Junior, and Senior Classes who wish to serve the school through their initiative and leadership. Before one may become a member of the Key Club, he has to have certain qualifications. He has to be scholastically qualified and be willing to work, but foremost he must want to be in the Key Club.

During the year our school advisor, Frank Lampkin, received other duties and Robert Horneman became our school advisor.

 FLOY MCCAIN Treasurer
 MRS. ARLINE DRESSER Sponsor

The central purpose of a Y-Teen group is to build fellowship, realize in our common life those ideals of personal and social living to which we are committed by our faith as Christians and to seek to better understand Jesus. All Y-Teen projects are aimed for these goals. In striving to attain our goal we aid in such civic projects as the Joy Fund and the "Toys for Tots" drive.

February is observed as brotherhood month. During this month our Y-Teen group visits various churches of different faiths and denominations in an effort to accomplish our purpose through building fellowship. Of vast importance this year is our potato chip sale. The object of this sale is to raise money to send a delegate to our Y-Teen conference, which is held annually in Gulfport, Mississippi. At this conference our Y-Teen representative will learn new ways for our Y-Teen group to better serve its purpose.

A project that is attracting much attention is our scrapbook project. In these scrapbooks we will portray life in America in pictorial form. These books will be exchanged city-wide in the various Y-Teen groups and some of the best books will be exchanged country-wide.

J U N I O R Y - T E E N S

The Junior Y-Teens Club has Mrs. Johnson as their sponsor. There are seventeen members. They are a very ambitious group and much has been accomplished. The meetings have been well planned and interesting.

Their service project during Christmas was for every member to participate in the Bossier High School White Christmas idea. It was very successful, as every member took an active part.

They enjoyed as their social event a slumber party at Mrs. Johnson's home on December 16, 1955.

On Valentine's Day this club had as their objective to add a little cheer to the patients in the Children's Polio ward at the Confederate Memorial Hospital.

In order to do this they took Valentines and candy to the children. Also, during the month of February the club observed "Attend Church Week" by going to a different church every Sunday as a group.

SOPHOMORE Y-TEENS

OFFICERS

KATHLEEN McDONALD	President
MARJORIE BECKHAM	Vice-President
NAWASA REEVES	Secretary
SYLVIA WORLEY	Treasurer
MRS. RUTH ENIS	Sponsor

The Y-Teens has a beautiful aim—to build a fellowship of women and girls who try to bring into their lives and the lives of others the ideals to which we are committed by our Christian Faith.

In Mrs. Enis' Y-Teens we have tried to live up to this purpose by harmony within our club and projects which help others. One of our projects was at Christmas, when we brought presents for the needy and wrapped them for the White Christmas.

We have other activities such as our Y-Teens' basketball team which is going to be very good. Who knows—perhaps we can win the tournament sponsored by the Y.W.C.A.

Each year the Y-Teen girls make the much anticipated week end trip to Camp Margaret, where they enjoy such activities as hiking, swimming, ping pong, dancing, and other activities.

Y-Teens is a wonderful mixture of fun and serious thought to which every teen age girl should belong if possible

Fragnie' Wanna bet??

FIRST ROW: Evelyn Mapes, Charlotte Pate, Jean Reeves, Kathleen Laughlin, Phyllis Johnson, Aubra Austin, Pauline Jones, Jo Ann Jones, Peggy Williams, Wilma Price, Shirley Scott, Sylvia Scogin, Wanda Sue Powell, Sandra Daniel, Linda McKaskle, Linda Smith, Leanna Holmes. SECOND ROW: Patricia Umphress, Leanna Coley, Barbara Coke, Mary Shadow, Pat Waggoner, Patsy Pardue, Joyce Dickson, Joy Arnold, Wanda Parker, Linda Cater, Julia Brown, Sara Beth Teekell, Elaine Parsons, Nadine Thorne, Juanita Keel, Sue Camp, Louise Howard, Miss Rebecca Hall

SOPHOMORE Y-TEENS

This year the members of Miss Hall's Sophomore Y-Teens have been very active.

They collected magazines and gave them to the patients of Confederate Memorial Hospital. They were greatly appreciated. For their Christmas project they brought food and clothing from home to be given to a needy family that had been picked by the Welfare Department. This was one of their most successful projects.

The club also sponsored several cake sales to provide funds for the activities they planned and to pay any other expenses that might occur.

Though the girls worked hard they played some, too. Besides their many projects they had several successful parties.

The projects and parties were successful because of the hard work done by the members and the careful planning done by the sponsor and the club officers.

NANCY STEWART	Treasurer
MISS GLORIA BOZEMAN	Sponsor

Why so serious?

This Y-Teen club is striving to uphold the Y-Teen goal: to grow as a person; to grow in friendship with people of all races, religions, nationalities and to grow in knowledge and love of God.

With three more years of Y-Teen membership to look forward to, each member is well aware that through the planning of the Y.W.C.A. their goal to spread among all girls the spirit of enthusiasm, service, and friendship together will reap its rewards.

They are planning a year of fun, work, and play. A well-rounded program of activities throughout the year made this a very interesting club.

They participated in the Y.W.C.A. Basketball Tournament in February.

To climax this club year, they are going to Camp Margaret in the spring.

Y-Teens are girls in junior and senior high schools who are junior members of the Y.W.C.A. They belong to a world-wide fellowship of women and girls of every race, creed, color, and occupation in Y.W.C.A.'s in sixty-five countries.

Because there are thoughts in a girl's mind deeper than laughter, because there are hidden yearnings in a girl's heart, because there is a desire in a girl's soul to know God and His goodness, our Y-Teen Clubs were formed. They were organized that girls might come together to discuss things important to each one, that they might learn how to spread among all girls the spirit of enthusiasm, of service, and of friendship.

The Y-Teens would like to share with you an excerpt from William H. Danforth's "I Dare You":

"I Dare You, whoever you are, to share with others the fruits of your daring. Catch a passion for helping others, and a richer life will come back to you."

Planning our Christmas Program

OFFICERS

Students work on projects that are being prepared for the science fair with Mr. Long and Mr. Kyrat.

Devotion to the furtherance of scientific knowledge and application of scientific methods of reasoning and logic are purposes of this organization. The Senior Science Club for junior and senior high school students as a member of the international organization "Science Clubs of America" has promoted these ideas among interested science students.

The club has assisted in the planning and presentation of programs for district meetings composed of clubs in this area. Through the leadership of the club sponsor, Mrs. Ruby Fitzgerald, this district centered around Centenary College has served as a model for the formation of similar district organizations located around other colleges in the state.

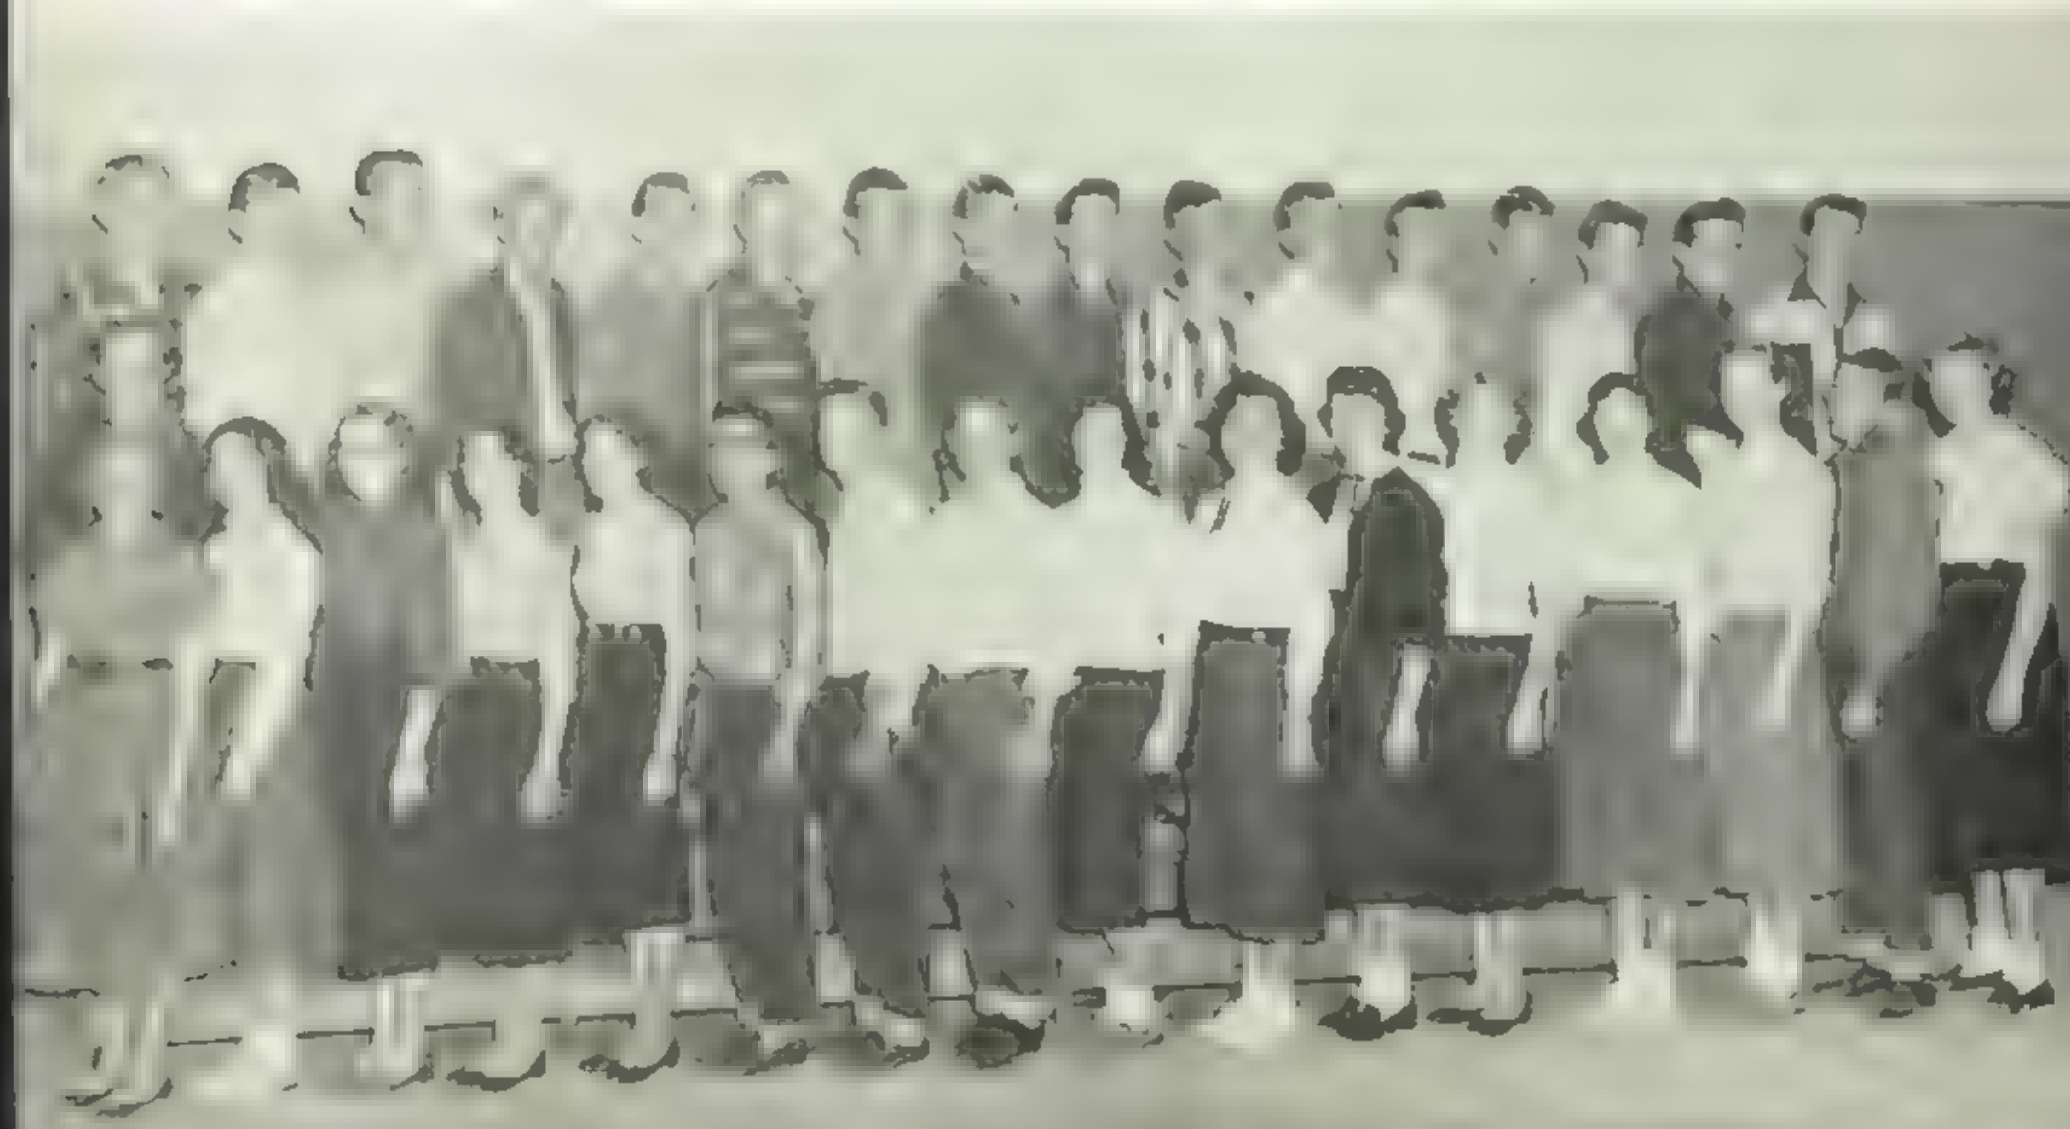

Outside sponsorship from industry has been secured for the first time in the history of the club. These sponsors assist students working on projects with valuable technical help so they can be entered in district fairs with deserving ones taken to the State Science Fair.

OFFICERS

JOHN RUSCA	President
WAYNE COVERT	Vice-President
LINDA PATE	Secretary
MARCY DEACON	Treasurer
MRS. RUBY FITZGERALD	Sponsor

SENIOR HIGH SCIENCE CLUB

FIRST ROW: Jo Ann Cain, Linda Willis, Linda Pate, Peggy Braswell, Patricia Moore, Charles Davis, Johnny Kruthof, John Collier, Marcy Deacon, Billie Iovern, Mary Frances Jones, Phyllis Mitchell, Lee Adams, Judy DeMaune, Tommy McCranie, Lynda Van Hook, and Mrs. Ruby Fitzgerald, Sponsor. SECOND ROW: Kenneth Norris, Larry Davis, C. B. Harris, Wayne Covert, Ray Spiller, Billy Dickson, Bill Barton, Bill Howell, John Rusca, Carey Parker, David Carroll, Mcvin Starham, David Miller, Donald Wren, Bob Robinson, Joe Mason

Organization of a science club for junior high school students was a new experiment at Bossier High School. This club, formed at the beginning of the school year was a necessary measure because of the large number of students from all grades enrolled in the Science Club.

Serving as a nucleus for interest, these students will promote club organization in a new Junior High School.

Members in this club operate as a separate unit with their own officers yet they cooperate closely with the Senior Club in all activities. Science projects are prepared by the students and presented for entrance in the Junior Division of the Centenary Regional Science Fair. Projects receiving recognition are then eligible for admission in the State Science Fair in New Orleans, Louisiana.

The success of this new club was due to the interest and enthusiasm expressed by the students and sponsors. Plans were made for the future expansion of this organization and efforts made to build interest in clubs for junior high school students throughout the state.

The Junior High Club members are watching their hamster family eat

COACH SMITH	Sponsor

The Bossier High School "B" Club is a letterman's organization, designed to aid in the promotion of athletics at Bossier High School. Our "B" Club fosters good sportsmanship at all levels, keen com-

petition in all sports, and an active interest in the entire educational program of Bossier High School.

The "B" Club serves as a social group of all athletes, who have earned a varsity letter. Once each year there is a party held at Worm's Hilltop for all members. The "B" Club takes on a new project each year, sometimes leaving them as equipment for the benefit of the school. The project for 1955-56 will be the presentation to the school of a sign board, to be erected in front of the building, which will display signs of approaching activities of our school.

The "B" Club will sponsor for the first time an award to the "Best All-Around Athlete" of Bossier High School. This will be an annual award based on a point system as set up by the "B" Club committee on awards and the coaches of our school.

It is a purpose of our club to encourage participation in all athletics.

The "B" Club's committee proudly observes the Bearkat

AUTOGRAPHS

My dear friend,
You are a very
sweet little girl
and as you are
so young, I must
be a great deal
to you.

Yours truly,
Mabel Longworth
